

HIGH SCHOOL REPORT

"MUSTANG MESSENGER"

Megan Cheema Harbi Natt Courtney Coulombe

MILTON DISTRICT HIGH SCHOOL

It's March madness here in Mustang country! With trips galore, fundraisers, and spring sports heading our way, the days are just flying by!

The students got a head start on their spring break last week with two snow days to relax indoors. The weather seems to be clearing up, so as we say goodbye to the cold and wet, why not say bonjour to the Eiffel Tower and the many sights France has to offer? A group of M.D. French students will be doing just that as they venture off to France this week and next for a trip that is sure to be the experience of a lifetime. There's surely no better way to experience French culture than to experience it for yourself. Bon Voyage! For those of us who aren't so lucky, we all hope you have a wonderful break whether you're going away or stickin around good ol' Milton.

With warmer weather around the corner, we here at the Mustang Messenger think that it's the perfect time to stress the importance of staying active! Yes, we know you have very busy lives and exercising seems like a drag, but there's some fun ways to get active! This Thursday right here in the gym we will be holding our annual Hoops for Heart tournament. The proceeds go to the Heart and Stroke Foundation and the participants get to spend the afternoon playing basketball. If you missed your chance to sign up, there's still ways you can get involved. You can donate some money to one of the students or come and support them on your lunch! For those of you fortunate enough to be playing this Thursday make sure you get those forms and pledges in ASAP!

So basketball not your thing? Well there are tons of spring sports starting up soon! Girls and boys soccer, badminton, baseball... there's something for everyone. So listen to those announcements for news about tryouts, meetings, and practices. Being active not only keeps you in shape, but its fun and makes you feel great So get up on your feet and do something!

Well that's all we've got for you this week! Basically have a good break no matter what you're going to be doing. Let's keep hoping for warmer weather to catch up to us. Till next time!

"DATELINE DRURY"

Ashley Carlisle Michelle Staples Stephen Jackson

E.C. DRURY HIGH SCHOOL

Just as we had expected, our wrestling boys did us proud last week by receiving four 1st places, and five 2nd places at GHAC! These boys will be representing us for the weekend of March 3rd in Brampton at OFFSA! They are taking off on February 28 without any food in sight in order to drop a couple pounds to weigh in for the upcoming tournament. We know the routine, and we could not be more excited for more fantastic results. From the GHAC competition, our second place winners were Mike McClelland, Duncan Moffat, Mac Fillman, Nick Ronan, Jared Robb. Our first place champions were Bobby Fillman, Kevin Iwasa-Madge, Allan Moffat, and Chris Flannigan. We are very proud of our boys and are cheering them on in OFFSA competition. Grab that title!

Speaking of grabbing titles we also have high hopes for the upcoming boys soccer team. Practices have started in the gym, as soccer is played with a soccer ball, not a snowball. Early signs suggest a very promising line-up full of talented young guys ready to run down their opponents. A couple of new comers and some senior players are building up a tough team led by Mr. Tasev. We look forward to a victory filled season boys!

On a slightly less dirty, less sweaty note...get ready for your close-up! Yes ladies and gentlemen, our semi-formal is taking place March 2nd at the Royal Ontario Golf Club. For a mere 55\$ our red carpet guests will be enjoying a professional photographer, a professional DJ, and some prime rib sauce smeared on your brand new suit (well we hope not.) So stay clean otherwise you may not be getting a dance with that Marilyn Monroe beauty. Are you ready for your close-up because that carpet is ready for you!

Now that we are feeling a little more artsy, our Sears Drama festival performance was a big hit. They preformed "The Bright Blue Mailbox Suicide Note" under the leadership of Mrs. Dupont and the mad directing skills of Nasha Brownridge. Kylie Castmonaro received a merit award for acting. Congratulations go out to her and the entire ensemble, whom have also been invited to an upcoming drama festival. On that dramatic note, we would like to make a quick mention that auditions are starting for our Drury musical "Come What May." It will be a comedy of epic proportions! That is all we know so far, they are keeping the details under wraps. However we will let you know more when we do! With a dramatic record like Drury's it is promising to be a fantastic show!

More on drama and sport kids next week! Along with how incredibly amazingly awesome our semi-formal was. Sorry if you didn't go...too bad!

"THE ROYAL REPORT"

BISHOP REDING HIGH SCHOOL

The long awaited March Break has finally arrived! Your Inside Sources have a few ideas on the best ways to spend this joyous ten day experience, making the most of this gift of time. For many of us, catching up on homework and assignments is a must, as is starting that long-procrastinated project. Also, many of us have learned from personal experience that finishing the in-class part of driver training, such as Wheels or Young Drivers, is best done over March Break. This way, it gets done quickly so the real fun of driving can begin. Some other suggestions are making time for friends and family who are not often visited, and chipping away at the volunteer hours required for graduation. There is nothing more rewarding than making someone else's day better!

Since there is still work to be done before March Break is officially here, your Inside Sources have the latest updates on the events of the week. The 'Welcome to Bishop Reding' lunch hosted for the new students in semester two was a huge success, with many entering a "carb coma" from the excess of pizza. The LIBs hosted this event on Friday, February 23, and many new students reported feelings of inclusion.

This theme of inclusion is being carried into Bishop Reding's first multicultural night, which will be held on Tuesday, March 6 at 7 pm. With incredible food, a brilliant speaker and meaningful artistic pieces from students, this event will definitely accomplished its task of celebrating diversity.

A huge congratulation to the Bishop Reding students who participated in this year's Sears Drama festival! It has been reported that every cast and crew member were at their peak performance for the festival, and the Bishop Reding community is extremely proud. Dan Santos won an award for his visionary directing, while his brother Mark Santos won an award for inspiring acting ability in the play The Girl Who Was Asked to Turn Blue. In the other entry, The Old Folks Home, Cayla Crevier won an award for her brilliant theatrical performance.

On the topic of talent, it is a well known fact at Bishop Reding that the Talent Show is fantastic every year. This year, the Talent Show will be held at Bishop Reding on Thursday, April 19 at 7:00 pm. Auditions are currently being held for the Masters of Ceremony, and forms can be acquired from outside workroom 2. With plenty of time to prepare, this reporter hopes to see the whole school either sharing their talents or supporting the talents of others. If anyone has questions about what kinds of acts are desirable, please see Mr. Vacca, Mr. Calzonetti or Ms. Lepore.

Calling all tutors! Student services is in great need of tutors, especially in Math, Science and French. Tutoring can be done for community services hours or pay, and it can make all the difference in a person's life.

Lastly, Bishop Reding sends their best wishes to the students participating in the London/Paris/Rome trip, who will be gone from March 9-18. We will enviously await the stories and pictures that are sure to accompany their return, and we anticipate telling our own March Break adventures.

PREPARE FOR THE ROAD AHEAD.
