

OUR DOUBLE FEATURE. NOW PLAYING. Mazda presents two big new releases with the CX-7 and CX-9 crossovers. And they're all about action. Take Mazda CX-7. A five-passenger sport crossover with our unique Direct Injection Spark Ignition (DISI) engine technology – an innovation that makes an eager 244 horsepower possible with minimal fuel consumption. For bigger audiences, Mazda CX-9 is a seven-seat, luxury crossover with an easily accessed third row of seating, 263-horsepower V6 and sport-tuned suspension. CX-7 is now at dealers and CX-9 is coming soon. Come for a test-drive. Then give your own rave review.
