FLYERS:

YOU EITHER LOVE THEM
OR HATE THEM.....
BUT HERE ARE THE FACTS!

Fact 1... We can define your target market within Milton or our rural areas, and send flyers out to those homes you wish to offer your service.

Fact 2... This means that you can distribute as little as 1,000 flyers, or go to each of the 21,261 homes we deliver to.

Fact 3... At a cost of only \$44 per thousand, you can promote your company in your marketing area at a cost that is very affordable for any business.

Fact 4... According to the Kubas Report marketing research study, 83% of households surveyed in Milton find flyer information sources useful in making buying decisions.

Fact 5... 75% of our readers prefer to have flyers delivered every Tuesday or Friday inserted into The Canadian Champion.

Fact 6... If you want to enjoy the same response to your advertising message that our numerous regular flyer distribution customers receive, then call me. I can help you put together a program that will work best for your business or service.

Info on children, youth services available on-line

Local residents can now access an information database on services relevant to families with children and youth up to 18 years old.

The Community Services Inventory (CSI), recently released by the Our Kids Network, streamlines searches for users and increases the ease with which individuals can retrieve information about services.

"The Community Services Inventory database is an innovative and valuable resource that will provide Halton residents with credible, relevant and easily-accessible information to help support the needs of their children," said Halton Regional Chair Gary Carr.

The Our Kids Network partnered with the Ontario Early Years Centres and the Halton Information Providers (HIP) to produce a customized view of the information records that only contain services relevant to families with children and youth aged 0 to 18.

The CSI customized view can be accessed from the Our Kids Network's website, www.ourkidsnetwork.ca.

Our Kids Network is a multidisciplinary coalition of service providers working to ensure that all children thrive in Halton. Partners include the Region, Halton Regional Police Services, Halton district and Catholic school boards, Children's Aid Society of Halton, Halton Child and Youth Services and Transitions for Youth.
