

Youths arrested in carjacking

Two youths were arrested in Milton early Tuesday morning in connection with a carjacking the night before in Mississauga.

Peel Regional Police said two people entered a Mississauga underground parking garage at an apartment building at about 10 p.m. Monday.

A man who had just exited his vehicle was punched in the face and pushed to the ground. His keys were taken and the suspects entered his vehicle — valued at about \$40,000 — and fled.

The victim wasn't injured.

At about 4:40 a.m. Tuesday, Halton Regional Police said they were called to Hayward Crescent in Milton by a homeowner who saw a 2005 Chrysler 300 with people inside in her driveway. Police arrived and

found three youths in the car. Two of them were arrested and one, from Milton, was released without condition.

A 14-year-old Mississauga male has been charged with robbery, breach of probation and revocation of bail.

A second 14-year-old male from Mississauga was charged with robbery and taking a vehicle without the owner's consent.

Copper wire swiped

Copper wire was stolen from a construction site in a new subdivision sometime between February 27 and March 7.

Police said unknown suspects took \$10,000 worth of wire from reels at a site in the area of Derry Road and Prosser Circle where streetlights were

being installed.

It was owned by Aecon Utilities.

Teen charged with break-ins

A teen has been charged with breaking into six vehicles in the underground parking lot at 80 Ontario St. N. Sunday.

The combined value of stolen property from the vehicles is about \$700.

Police were called the following day by a resident about a male she thought was suspicious.

Police arrived and found a man asleep in his vehicle in the underground lot. They searched his vehicle and he was arrested.

An 18-year-old male of no fixed address has been charged with six counts of theft under \$5,000 and possession of property obtained by crime.

Electronics stolen as house ransacked in break-in

Halton Regional Police are investigating a residential break-in in Milton.

Sometime between 7 a.m. and 4:30 p.m. March 8, suspects used tools to force open a sliding door to a home on Fitzgerald Crescent. About \$800 worth of property was stolen

including a Play Station 2 and a Citizen portable DVD player. Several pieces of identification

were also stolen.
