"MUSTANG MESSENGER"

MILTON DISTRICT HIGH SCHOOL

The glorious March Break is unfortunately over...some of our Mustangs enjoyed that break in France with fellow French students, some were away tanning in hot places, and some simply stayed at home to sit back and relax. Now we are all back and the halls are filled with oohing and ahing over tans and pictures taken from all over the world. It is only a matter of time before the students of Milton District get back into the swing of things, and once again, fall into the familiar day to day routine of school.

So now, since nothing much has happened so far at school, we'll just give you a quick update on what was going on at school before the March Break.

On the Thursday before the break, MD's prom committee held a pancake breakfast fundraiser in order to raise money for this year's senior prom. Students from all grades were invited to buy a ticket to the breakfast for just \$5. Those who went spent the morning with their friends enjoying a deliciously made pancake breakfast that Aunt Jemima couldn't even compare to! All in all the fundraiser was extremely successful and the prom committee raised a total of \$275.

The tasty pancakes turned out to be exactly what the participants of Hoops for Heart needed to boost their energy as also on Thursday, Milton District held its annual Hoops for Heart tournament. The money collected went towards the Heart and Stroke Foundation, and Mustangs showed their enthusiasm both on the court and in the stands. The tournament was a huge success, and all the participants had a blast spending the afternoon playing basketball the last day of school, while contributing to a worthy cause.

If that wasn't enough to keep the Mustangs busy and excited, MD's sports teams also held strong the week before the break as they proved to be very successful in competition. Milton District's swim team competed at OFSAA on the Tuesday and Wednesday. They swam well and finished strongly. For relay, overall MD placed 39th out of more than 200 participating schools, and also placed 9th out of over 80 schools in the open category.

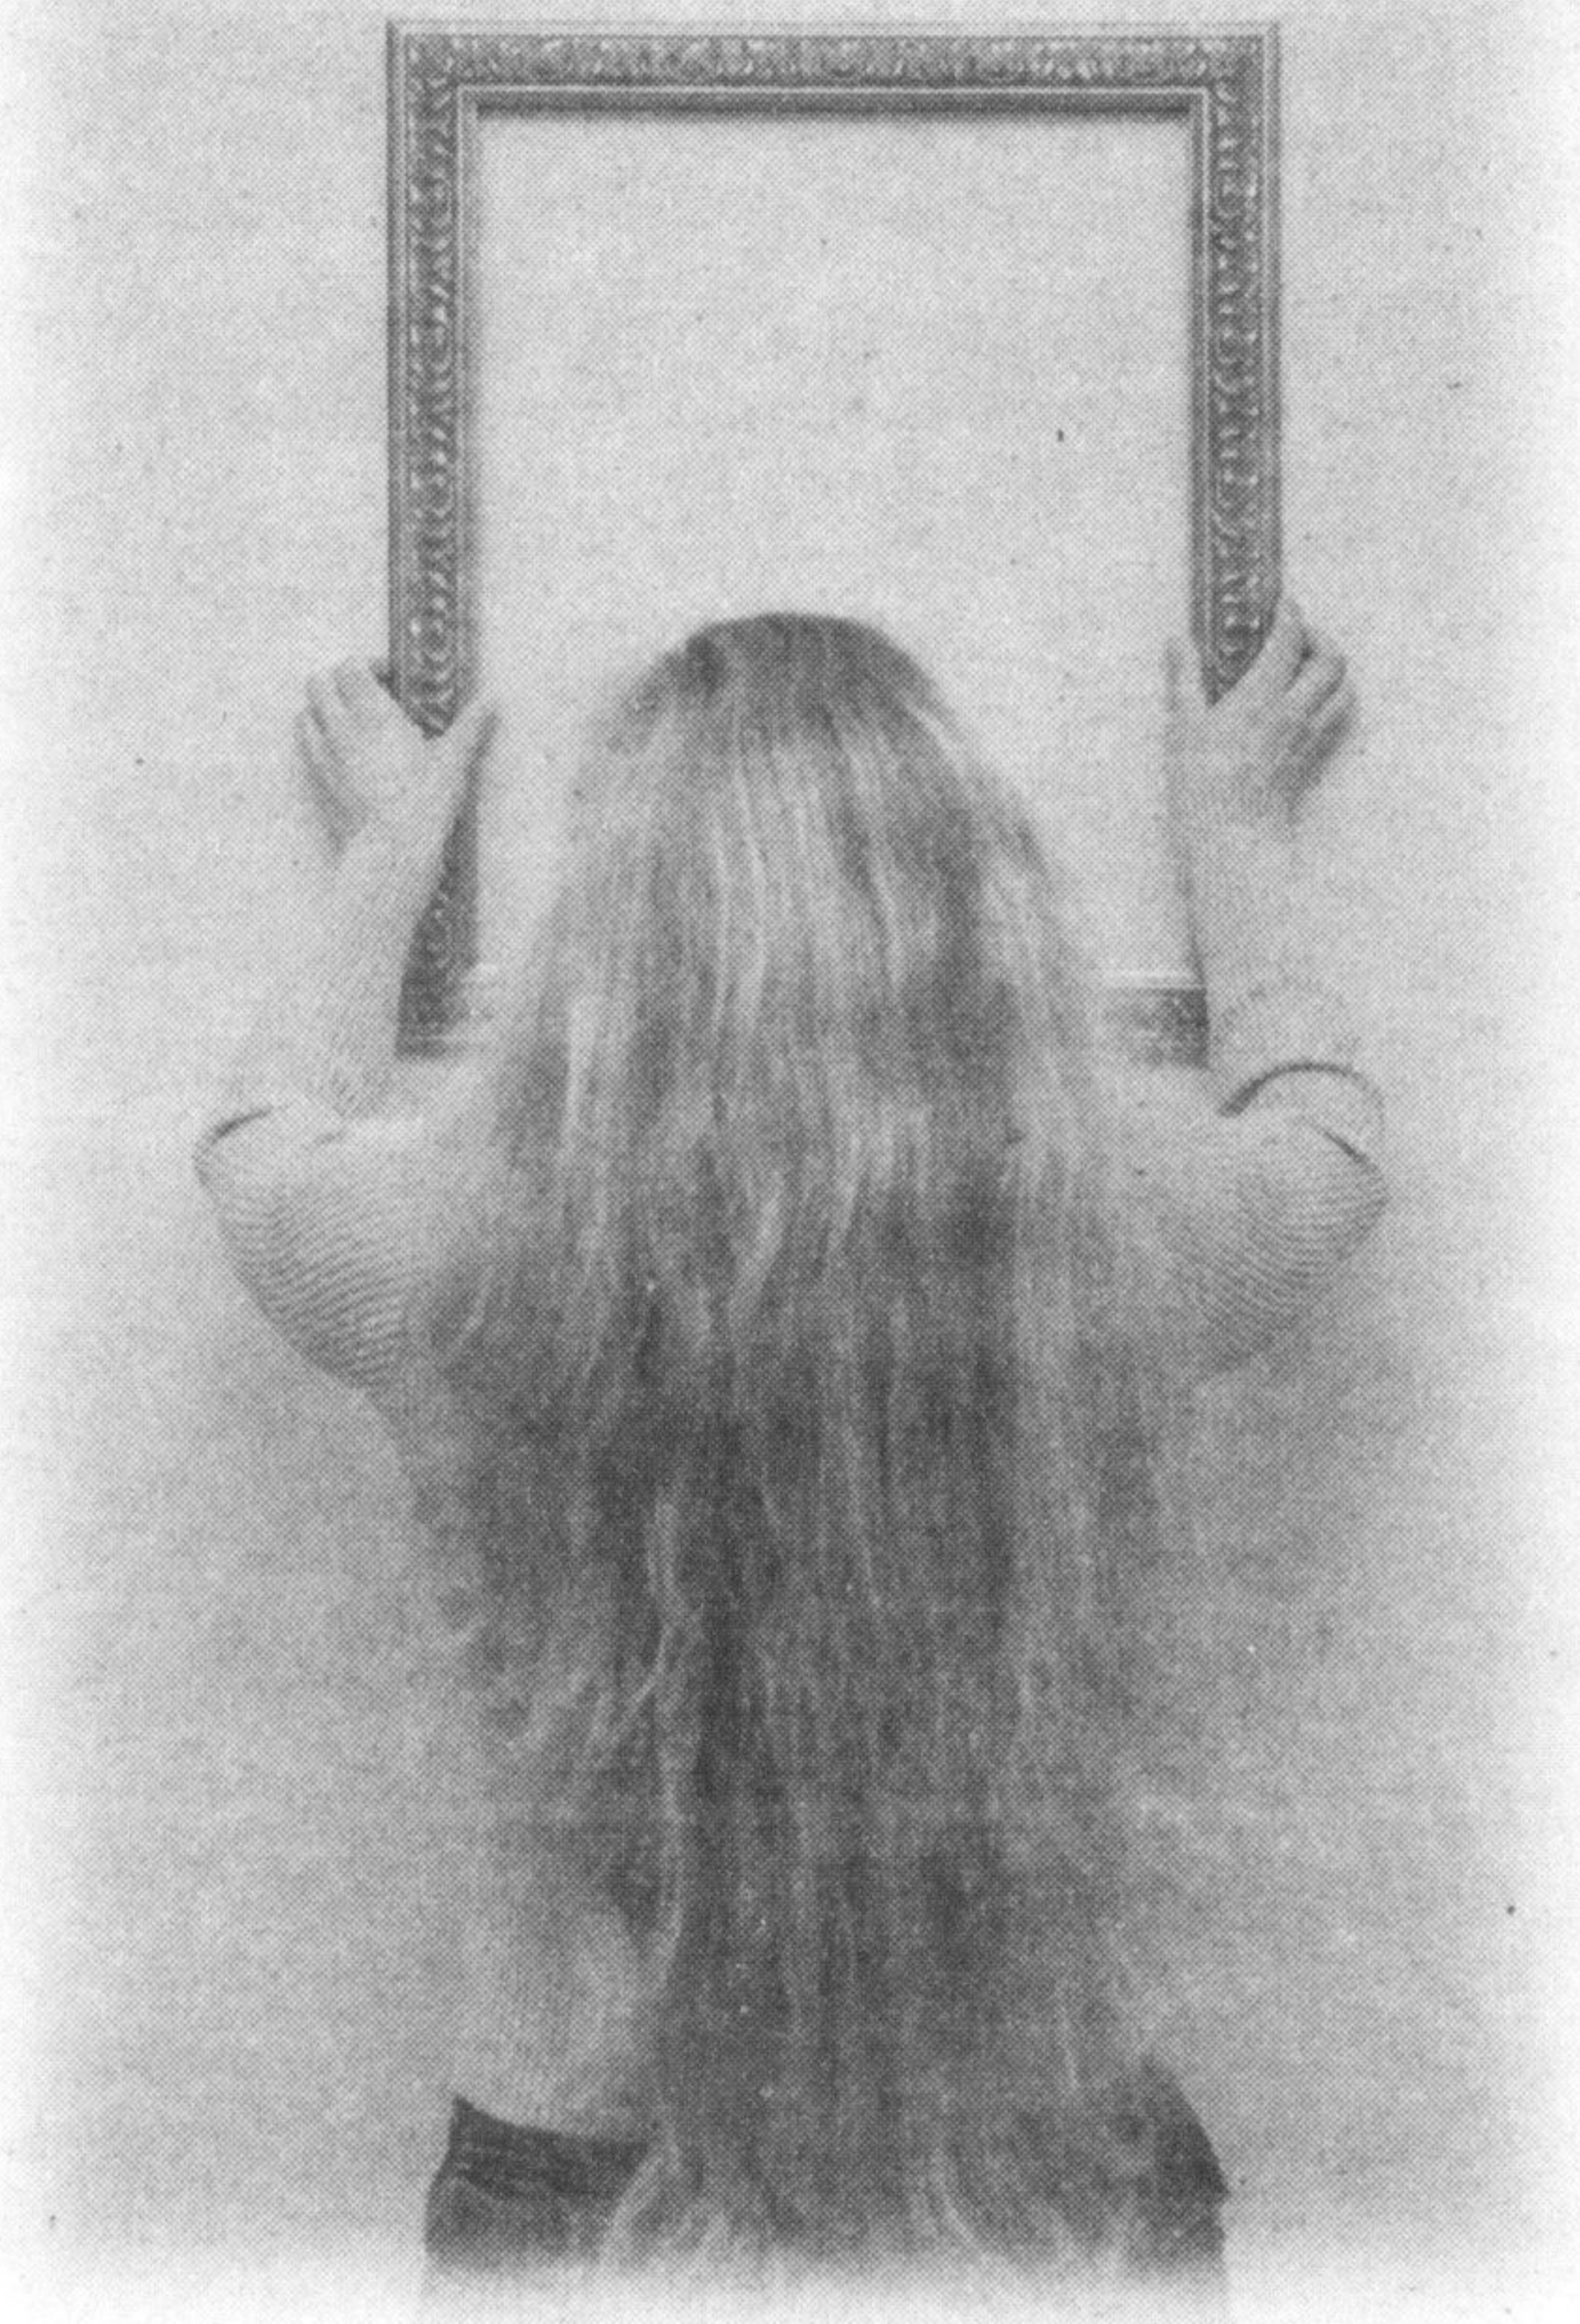

Well another week of school is up ahead, and with the next break being the Easter long weekend, it's once again time to get back into the daily routine of school life, so hit the books Mustangs!

It's the time we've all been waiting for, BR!! MARCH BREAK!! We'll keep it nice and short this week, so everyone can start relaxing!!

We'd like to say Bon Voyage to all the students and teachers making their way to Europe for the week. The lucky bunch will be enjoying the sights of London, Paris, and Rome during the break. We wish them a safe and fun trip, and can't wait to hear all about it when they return!

March break is the time for rest and recuperation during second semester. Whether you'll be traveling or resting at home, your Inside Sources hope everyone has a great time. Stay safe, have fun, and we look forward to seeing everyone refreshed and ready to get back to work next week!

PREPARE FOR THE ROAD AHEAD.
