

Two free 'Green' seminars being held

Local residents can learn about 'green' ways to care for their property at the Healthy Lawns, Healthy Gardens seminar Wednesday.

The free event will run from 7 to 9 p.m. at the Halton Regional Centre, 1151 Bronte Rd., Oakville. It'll feature Denis Flanagan from HGTV's 'One Garden, Two Looks' and Ken Pavely from Landscape Ontario. Both will share

tips and respond to residents' questions and gardening problems.

Two experts will also teach those in attendance about earth-friendly ways to care for their lawns and gardens.

Registration isn't required.

A second seminar has been scheduled for May 9 at Hugh Foster Hall.

Natural gas water heaters

Save up to \$2,457*

With natural gas, you'll save over 50%* when compared to electric. That means over the average 13 year lifespan of your water heater, you can save up to \$2,457 on your water heating energy bill.

And your family will also enjoy an abundant supply of hot water because a natural gas water heater is

2 times faster

at heating water compared to electric water heaters.
