Inventory Control Clerks

Gemalto Canada, has immediate openings for fulltime inventory control clerks on the second or third shifts at our Burlington plant. You will receive goods and materials into the inventory system, maintain inventory records and generate necessary documents in accordance with department and security procedures, to the highest standards of accuracy.

Successful applicants will be detail-oriented self-starters who work well in teams with good basic math skills, and working knowledge of computers using Microsoft Excel and Word. Other essential attributes include strong organizational, decision making and problem solving skills. You must also have at least a high school diploma and at least two years proven industrial or warehouse work experience.

Security background checks will be conducted including credit, criminal and the verification of your education and work history.

Gemalto Canada is a World Class leader in microprocessor smart cards production. We are developing a continuous improvement/waste reduction culture using self-directed work teams, problem solving techniques, 5S and other Lean Manufacturing techniques.

We offer \$14.00/hr on the second and third shifts with no shift rotation. Our benefits program includes dental, prescription drugs, health spending account, life, accidental-death and disability insurances and an RRSP with a 100% match on the first 5% of employee wages contributed to the plan.

Apply by email to george.macdonald@gemalto.com.

Gemalto is an equal opportunity employer. Visit our web site at www.gemalto.com.
