

GRAHAM PAINE / CANADIAN CHAMPION

BIG NUMBERS: The Town recently presented the United Way of Milton with almost \$18,000 its staff raised during 2006. The funds were collected through payroll pledges and staff events, contests and initiatives organized by the Corporate Assistance Utilizing Staff Events (CAUSE) Committee. The payroll pledges made during the fall of last year were 46 per cent higher than in 2005. The Town was ranked as having one of the top 10 United Way campaigns in Milton for 2006. It executed its campaign under the election-oriented theme of 'Vote for the United Way'. Here, Mayor Gord Krantz (third from left) and United Way Executive Director Anne Eadie (centre) celebrate with members of the CAUSE Committee and Employee Payroll Donations Committee.

ONTARIO GOVERNMENT NOTICE NOTICE OF PUBLIC INFORMATION CENTRE #1 GTA West Corridor - Environmental Assessment (EA) Terms of Reference

THE STUDY

The Ontario Ministry of Transportation is working to provide for the efficient movement of people and goods within the context of the province's *Growth Plan for the Greater Golden Horseshoe*. To support the policy directions in the *Growth Plan*, MTO has commenced the formal environmental assessment (EA) process for the GTA West Corridor. The purpose of this study is to examine long-term transportation problems and opportunities and consider alternative solutions to provide better linkages between *Urban Growth Centres* within the GTA West Corridor.

THE PROCESS

This study is being undertaken as an Individual EA in accordance with the *Ontario Environmental Assessment Act*. The first step of the process requires that a Terms of Reference (ToR) be prepared and submitted to the Minister of the Environment for approval. The ToR outlines how the EA study will be undertaken. A **draft Terms of Reference is now available for review on the GTA West website (www.gta-west.com) and at local libraries.** Interested persons are encouraged to review and comment on the draft ToR by **May 18, 2007**.

Once comments are received, the ToR will be revised and submitted to the Minister of the Environment for an approval decision. As part of the legislated approval process, the Minister of the Environment will initiate a formal public review of the ToR to assist in making an approval decision. During this formal review process, there will be a second opportunity to comment on the ToR.
