# LAWN & GARDEN

## TIP: Naturally Enrich Your Garden with Black Garden Soil

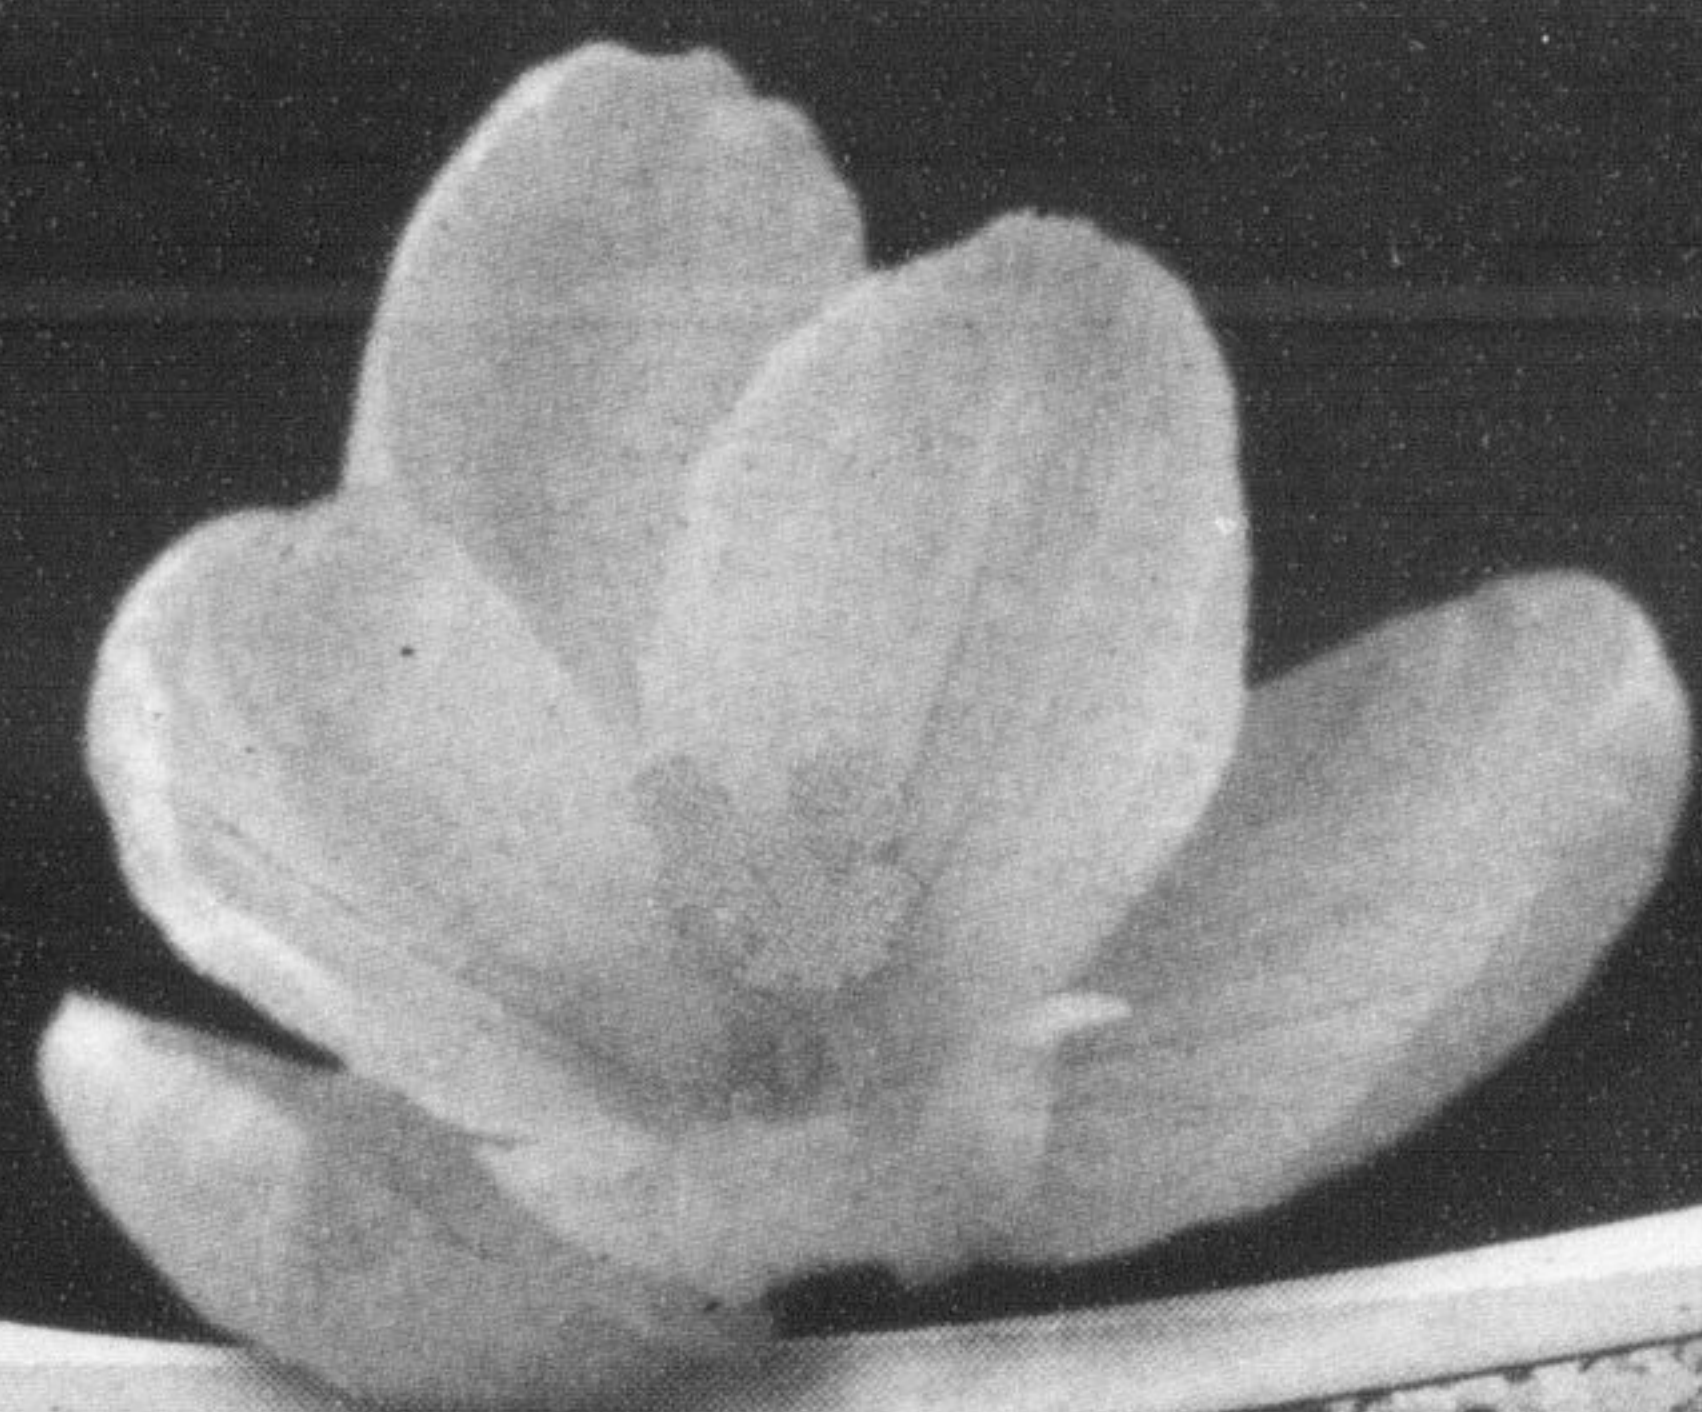

One basic step for successful gardening is taking care of your soil. GreenThumb™ Black Garden Soil in Bulk Bags is the most convenient way to get a full cubic yard of rich black soil delivered right to your home. Clean, neat and easy to use.

It is easy to order. Simply place your order over the phone and arrange a delivery date that works for you. You don't need to be home on your delivery date. Mark an "X" on your driveway where you want the Bulk Bag placed. You can pay by Visa or MasterCard when you place your order, or if you prefer, leave a cheque in the mailbox.
