

LEARNNA
because every child is unique

Preschool to High School Education Centres

Learnna tutoring, a computer based supplementary educational center offers **Summer Camp** for children (ages 6-14). The **Full day Camp** (9:00-4:00) will focus on enhancing computer skills, brief Journal writing, individual research, presentations and preparing the child for the next year of school.

If you envision your child this summer spending days in a fun, interactive, educational environment call us at **905 864 0110**.

Limited seats available. Booking by May 15th 2007.

Swimming and Ear Infections.

Since the better weather is upon us, children often tend to spend more time swimming or taking lessons. Children with a history of ear infections often require ventilation tubes which are surgically inserted in their ears and in order to ensure that water does not pass through the ear tubes it is often recommended that ear plugs be worn.

Although many styles and types are available, custom swim plugs are considered to be the most effective at preventing water from entering the ears. For older children, who swim under water for extended periods of time, an aqua-band (water headband) can be used to cover the ear plugs to keep them in place and add extra protection.

The Tooth Fairy doesn't bring College Tuition

It's reality that a good education costs money - and it will cost even more when your child is ready for post-secondary studies. An RESP can make all the difference when saving for your child's education.

Remember, learning about RESPs is an assignment you can't afford to skip. Your child's success starts now. Call me today for a no-obligation consultation.
