

SOMETHING FOR EVERYONE: At left, three-and-a-half-year-old Maggie Chekan checks out a life-sized cutout of a woman gardener at the Halton Sod booth, just one of many at last weekend's Milton Lifestyle Home Show at Memorial Arena. Above, Student Works Milton rep Dan Woolford and Thea McMillan, servicing Acton, can't wait for the summer painting season to begin. The duo are part of a summer painting company utilizing college and university students for interior and exterior residential and commercial painting. At right, Sarah Brousseau has a little fun on a pocket racing bike, which was part of her B&M Garage Door display. The steel garage door is ideal to keep valuables, like this bike, safe.
