Metroland
WEST MEDIA GROUP
Metroland West Media Group's Digital Media Center is seeking an experienced;
LEAD WEB DESIGNER

The successful candidate is a detail-oriented design team leader capable of delivering everything from high-level conceptualizations to finely-tuned CSS styling, page layouts, buttons, icons and other graphical elements required to realize successful, user-friendly web designs. In addition, you will have experience with translating concepts and website business/marketing requirements into clean, visual mockups and presenting them to business unit stakeholders.

You will possess strong working knowledge of the following programs; Photoshop, Illustrator, Adobe Acrobat Professional, In Design, QuarkXpress, CSS, Javascript, HTML, Flash, Dreamweaver and have a deep understanding of and be a frequent user of feature-rich, content-driven social networking/community websites.

The position is located out of the Digital Media Centre in our Oakville, Ontario location under the guidance and supervision of the Director of Interactive Media, alongside our skilled team of graphic web designers, programmers/developers, project team leaders, content and channel producers and marketing team personnel.

Please forward your resume including an on-line portfolio containing examples of design work and salary expectations, no later than May 11th, 2007 to
webmanager@haltonsearch.com.

We appreciate the interest of all applicants however only those selected for an interview will be contacted. No phone calls or agencies please.
