

Save some lives, DON'T DRINK & DRIVE!

Have A Safe Victoria Day Holiday!

In Tribute of

GARY VALCHUK
SEPT. 27, 1958-JUNE 1, 1996

Dear Gary,

When I open my eyes in the morning, I think of you and how you used to wrap your arms around me and tell me that you loved me.

When I look out in the backyard, I think of you and the time I came home from work only to find the message "I Love You" mowed in the back lawn.

When I stand at the kitchen sink, I think of you and I miss the way you would sneak up behind me with an unexpected hug.

When I listen to music, I think of you and miss dancing with you while you sang to me.

When I watch our babies play hockey, I think of you looking down on them and how you must be as proud of them as I am. When I make all the decisions for our family, I think of you and I try to make them as though we would have made them together.

As I watch the boys grow, I think of you. It brings me joy to see your wonderful qualities in them. Derek has your physique and mannerisms, Adam has your personality.

When I think of you, I feel so fortunate to have shared at least a part of my life with you because if it wasn't for you, I wouldn't have these two perfect little boys. If it wasn't for you, I wouldn't be the strong, independent person that I am today.

We think of you every day, and miss you more than words can say.

Carafe
Wine Makers
www.carafe.ca

Milton's ultimate
wine making and
brewing experience!

Discover the difference at our fully
automated wine-making workshop.
It's great wine - made easy!

If you drop by to visit, you would quickly learn why Carafe is so popular. Proprietor Sharon Liverpool has purchased the former Hogshead Brew Club location. She is already attracting a growing clientele of satisfied customers with great tasting wine at substantial savings. All products are unconditionally guaranteed to please.

Carafe offers the largest selection of wine to make including Vino del Vida, Cellar Classic, En Primeur, Mist wines and the award-winning CellarCraft. Beginners are most welcome!

It only takes 10 minutes to get started. Carafe takes care of your wine's fermentation, racking and filtering. You come back in

a few weeks to fill and cork your bottles. Cleaning your bottles has never been easier using Carafe's fully automated equipment. No more hand washing bottles! Carafe's professional standards and industry leading techniques ensure that each batch is as perfect as the next.

Every winemaker receives the Carafe Wine Book - filled with interesting information including wine descriptions, storage tips and recipes. And, you can still make beer at the renovated facility. Don't forget to check out the unique gifts, wine accessories and supplies for home vintners as well.

Carafe is Milton's ultimate wine-making experience!
