*Learning that
Lasts a Lifetime*

the MONTESSORI
Country School

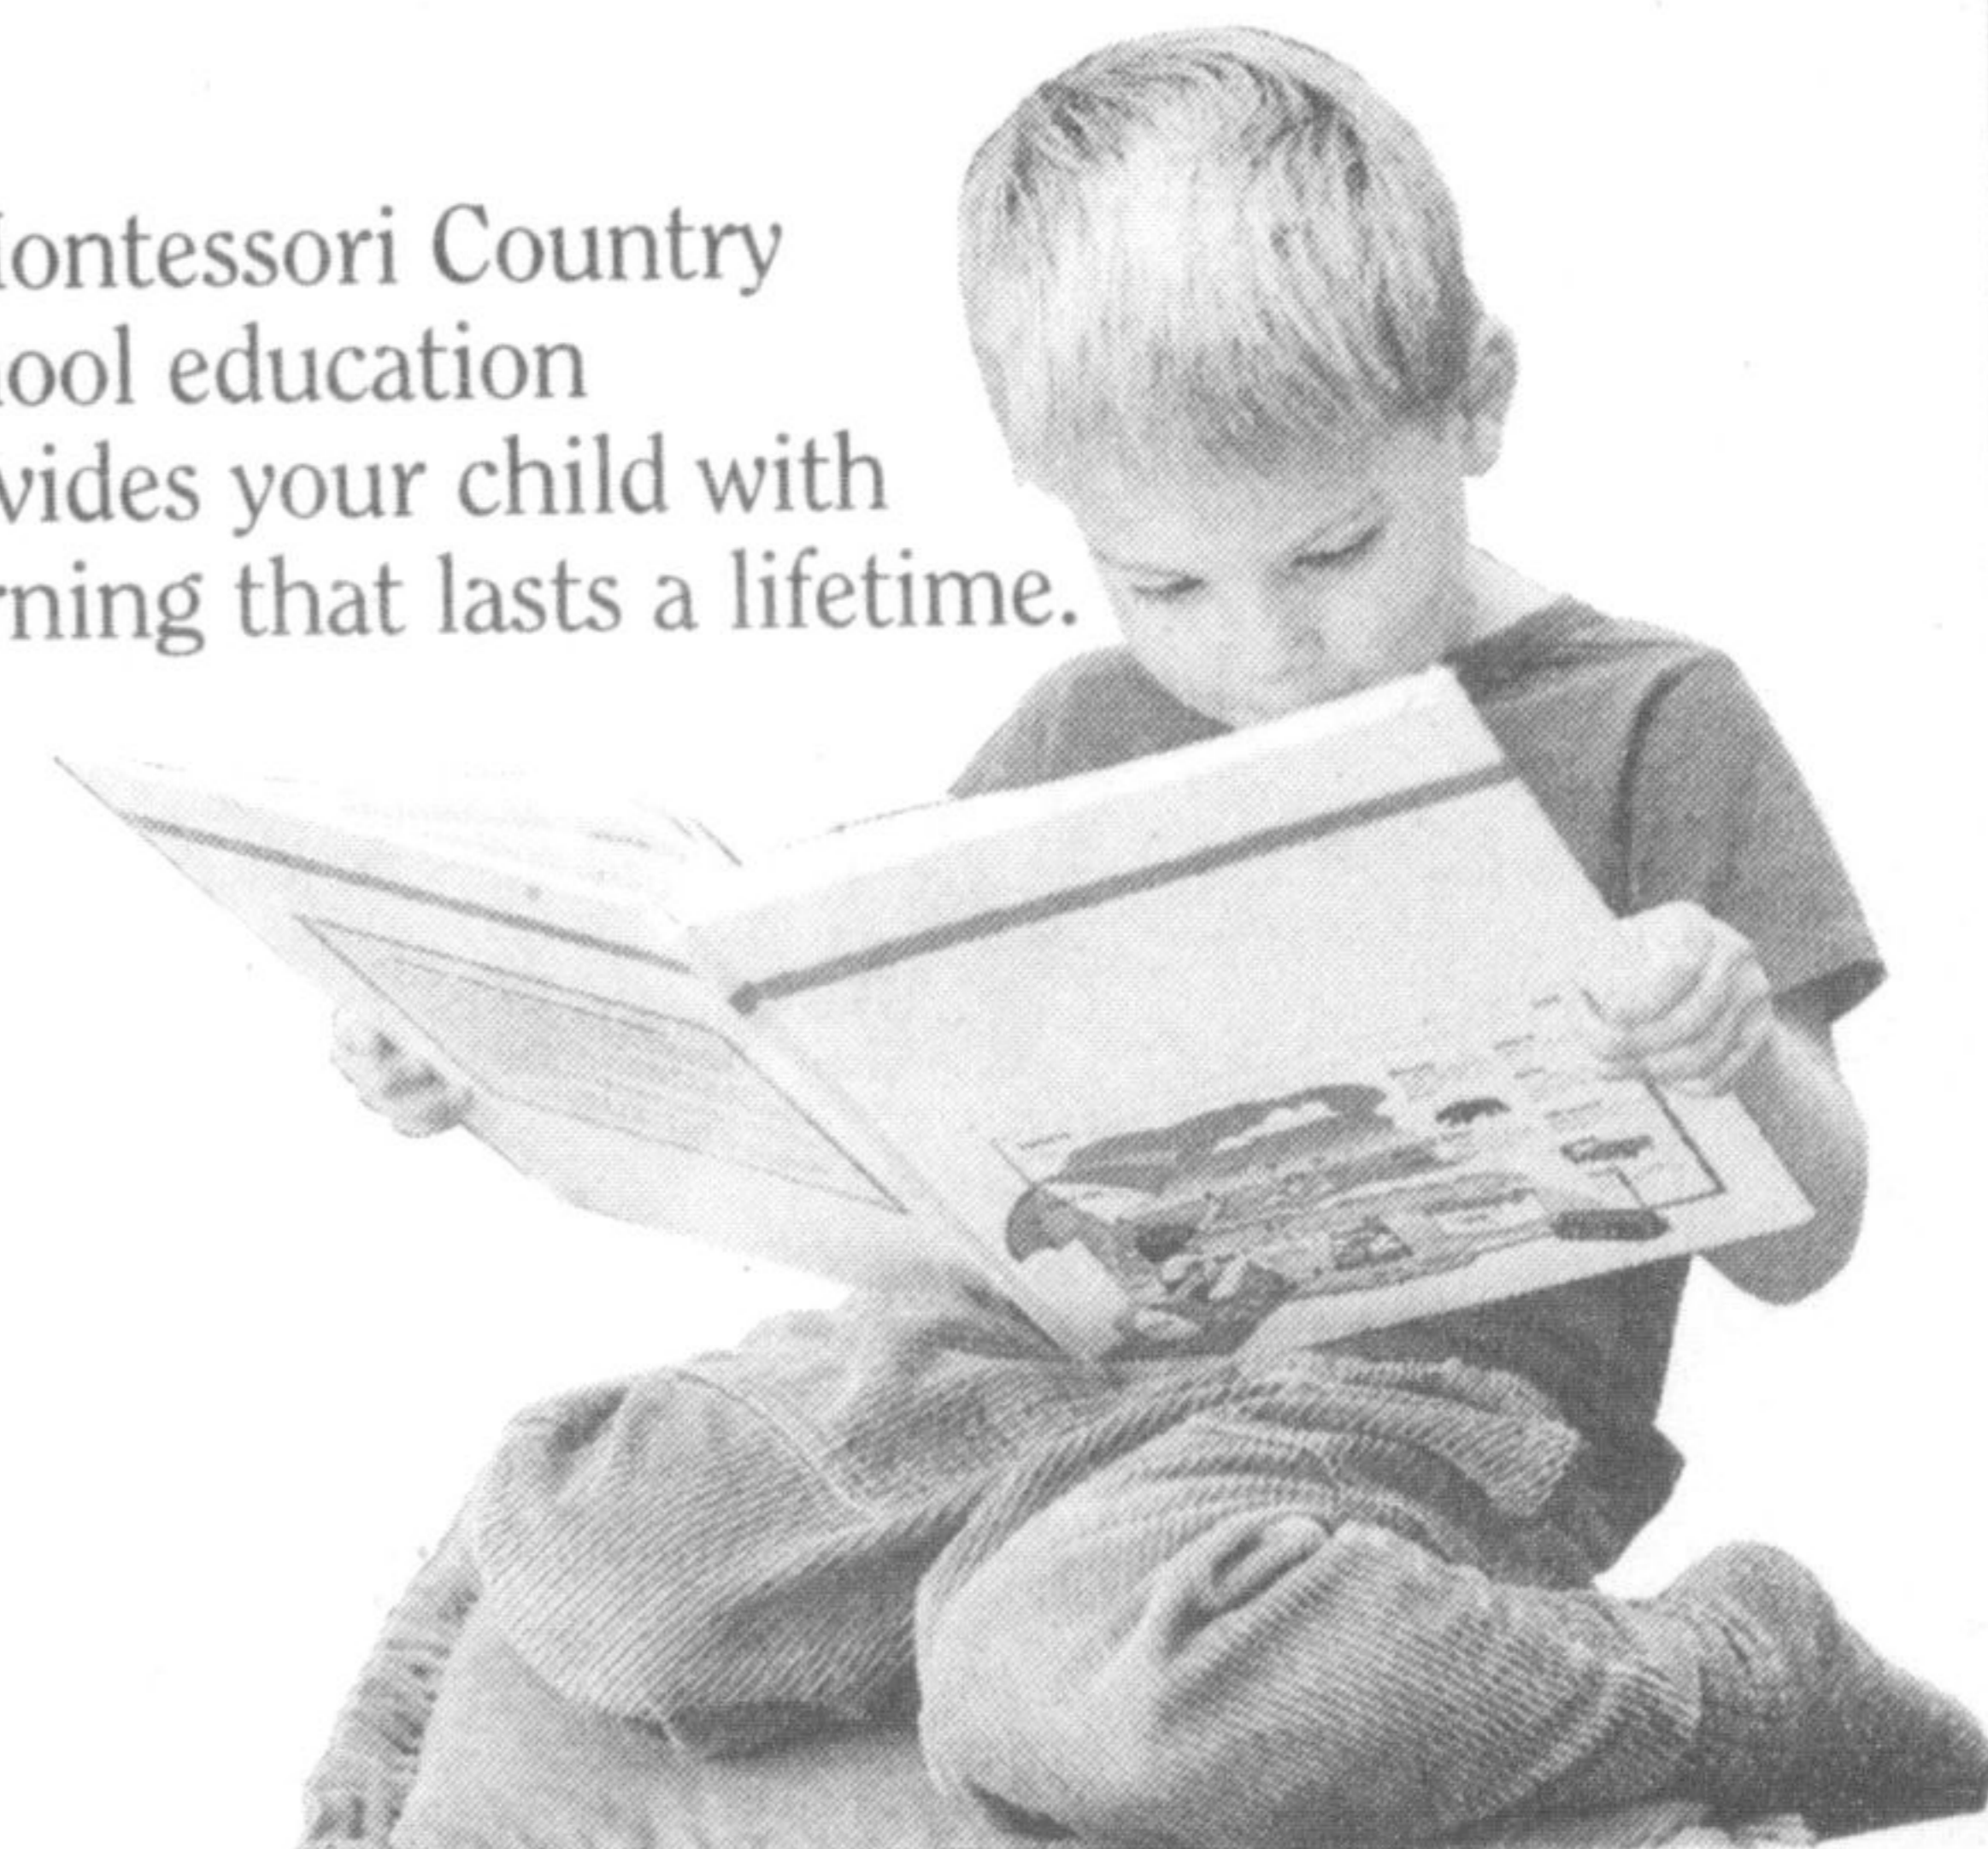

The Montessori Country School is dedicated to providing children with the opportunity to fulfill their potential, in every aspect of their development. MCS offers quality and comprehensive Montessori programs designed to offer our students and their families an educational experience that stimulates mind, body and spirit.

The Montessori Country School is a leading provider of Montessori education. For 25 years, our school has provided a first-class academic experience to students in an environment that is distinguished by its compassion, integrity and unwavering commitment to the individual child.

With an uncompromising desire for excellence, we deliver a rounded and complete educational experience, building the foundation for the child's intellectual, emotional, social and physical development. Our strength lies in the expertise and dedication of our teachers and staff, in the uniqueness of our learning environment, and a constant desire to be the best.

We will continue to meet the needs of our students, parents and community by delivering a truly unique educational experience, while always maintaining our integral values and adhering to the spirit of our vision.

A Montessori Country School education provides your child with learning that lasts a lifetime.
