E.C. DRURY HIGH SCHOOL

We'll kick this article off with some updates on our senior boys soccer team! After dropping a close match 2-1 against Acton, the lone goal scored by STEPHEN JACKSON!!! They later played Lester B. Pearson in an intense 0-0 tie game. As of today, right now, May 16th, our boys are in 1st place!!! They have an upcoming game against our across town rivals Milton District. This is better than Degrassi, but you can't tape this one.

With more balls to speak of, our rugby team recently faced Aldershot high school in the last regular season match. Twice during the game the team's character was tested as Aldershot led by 10 points, but timely scores by captain James Marshall and veteran Duncan Moffat reduced the margin to 5 points. With less than 40 seconds left James Marshall plowed into the end zone to put Drury ahead by 2 points. Our boys finish off the season with a record of 3 wins, 2 losses, and 1 tie. They are now preparing for the playoffs being held this week.

We can only hope that everyone will be sharp and ready to play after half the team gets shipped off to our annual leadership retreat. Our strongest leaders attended the double overnigher for some fun and games and of course, holding up their leadership responsibilities. Teaching the younger grades how to stand up and make a difference here at E.C. Drury is one of many goals we aspire to.

Speaking of recognizing important people, Friday, May 11 was Drury's Red Friday to support our Canadian troops in Afghanistan. The school was a sea of red as the students wore red clothing to show their respect for the armed forces. All students were allowed to sign a huge Canadian flag that is being shipped to Afghanistan. It was amazing how many people supported our troops and showed true Canadian spirit.

Another highlight of this past week was the musical, 'Come What May', which was a huge success. The tag line "A tragic (musical) comedy of epic proportions" truly did the show justice. Thanks to all the cast and people who helped out put on this amazing show

If you love music, but are more ready to rock out, then Drury has something for you with our very own DruryStock! This event is being held in the auditorium on May 24th and is sure to blow you away. We have incredible bands like One Second Romance and, of course, the infamous Edison Sunrise is sure to put on a great show. We will see you all there!

Last but not least we have the Bohemian Fair being held at EC Drury on May 25th Activities include face painting dancing/singing, magic, fire eaters, fortune telling, tarot card reading and much more. Tickets are only five dollars and are on sale now so don't miss out on your opportunity to check out Drury's first ever Bohemian Fair!

Just a closing note, the annual Literary Coffee House will take place on Thursday, May 31st. This is a special invite to all alumni to come back and visit on this night, along with any proud parents, friends, family, and interested spectators.

"THE ROYAL REPORT"

BISHOP REDING HIGH SCHOOL

The official countdown to the end of the year has begun, with only 21 school days left until exams! Although students and teachers cherish their time at school, it seems as though everyone is ready for a much deserved break.

For our grade 12 students, this break will be a permanent break from high school. To celebrate this achievement there will be the Grad Dinner Dance (Prom) on June 1. It will be held at Le Dome in Oakville, and will begin promptly at 6pm. Tickets will be ready for pickup on May 31 to those students who have submitted their \$80 graduation fee. Graduating students should be aware that the Grad Mass is on June 7 and the graduation ceremony will be held on June 28. It is a little known fact that all graduating students will need to be present during the day on June 28 to do a practice run of the ceremony, so please spread the word to all graduates.

Another mark of the new replacing the old is the Student Government election on May 22. There are some fantastic candidates, and the results of the election will be announced in next week's Royal Report.

Although the school year seems to be winding down, there is still a plethora of exciting activities soon to happen. Bishop Reding will host its first Battle of the Bands on Wednesday June 13 at 7pm. The only requirement is that at least one member of the band attends one of the three secondary schools in Milton. The Grand Prize is a gig at the Legendary Red Rooster Vintage Café and a \$1500 DVD recording of the band's performance, recorded on a \$60 000 sound system. There will be gift certificates to music stores for the first runner up. This event is being organized and run by Student Government; so direct any questions to one of the members. Auditions will be held on Wednesday June 6, and each band should play one cover song and one original piece, if possible. Before auditioning, bands must register by e-mailing BRbattleofthebands@hotmail.com. The whole Milton community is encouraged to attend this event. The tickets are \$5 and all proceeds will go to a local charity.

As many people know, the former Reding student Ryan Ketelaars was seriously injured a few months ago. There are currently a number of fundraisers proposed to help Ryan and his family, but they can only succeed with help from the whole Milton Community. Student Government is proposing to have a Hugs for Ryan Day, where the Student Government President Zák Scholtz will be sponsored by businesses and individuals in the community to get as many hugs as possible. If anyone is interested in donating to this fundraiser, please contact Bishop Reding. Currently, the radio station 102.1 The Edge is having a contest where the biggest group on the website Facebook will receive a cash prize. Students from Bishop Reding have started a group in hopes of winning money to give to Ryan and his family.

Lastly, the Dance Team will be having their year end show on Monday June 11 at 7pm. The Dance Team never disappoints, so your Inside Sources will see you all there. Have a fantastic week!
