BIRTHDAY

Genuine Article

Blue Moon in color, this classic has weathered the years well. 438,000 hours on the clock. Little in the way of bald spots to report. Works best in low gear. Can slip into neutral on occasion, needing a push to restart. Has been known to blow a gasket if overheated. The rear end is tight but has, at times made strange noises.

Golly Gosh Gadd, Happy 50th!
