Donald James Christensen
December 3, 1966 - March 27, 2007
On behalf of myself, my children and the entire Christensen & Maglio families, please accept our sincere thanks for all you did for us during this very difficult time.

Our hearts have been saddened, our lives forever changed yet in our hearts we hold strong our passions, beliefs, inspirations and dreams that Adrian & Andrew will continue to live on in their father's legacy. From the earliest stages of their youth my two little boys have had to realize that: "you can't hold love in your hand, you can only feel it in your heart."

A special thank you to our hockey team who have demonstrated to us truly what being part of a team means. I would like to thank the staff and students at Holy Rosary School who have shared their generous faith and passion in believing that at the end of the dark clouds the sun will shine again for us.

For all of my colleagues, co-workers, friends and acquaintances you are a shining example of true friendship. You climbed out of the woodwork and became our pillar of strengths. The unending floral tributes, the visits, phone calls, kind words, cards, donations, meals, and the genuine care and compassion you shared with us is greatly appreciated.

We thank you, your love remains a part of us forever.

Seashells remind us that every passing life leaves behind... a beautiful present
