ALL-NEW 2007 JEEP GRAND CHEROKEE

DIESEL
FREEDOM NEVER FELT SO GOOD

Just when you thought Jeep engineers had run out of obstacles to conquer, they come out with an available new 3.0L V6 diesel engine. Boasting some of the industry's most advanced diesel technology, this new engine offers more torque (376lb-ft) than most comparable V8 engines plus the fuel efficiency of a six-cylinder engine. So you can enjoy all of the sophisticated style, posh amenities and legendary confidence you've come to expect of Grand Cherokee with increased fuel economy and reduced CO2 emissions. Your neighbours won't be the only things turning green. Stk SJ72.

4 IN STOCK!
