

Dateline

Dateline is a free listing of coming events only. The column is available to local community groups to assist in promoting their future events. Only charitable or non-profit community groups may use this service. We can only guarantee one issue of publicity closest to the date of the occurrence although more insertions are possible if demand is low.

Notices for Dateline should be e-mailed to miltoned@haltonsearch.com. The final deadline is noon Friday for Tuesday's edition and noon Wednesday for Friday's edition. Dateline items aren't accepted by telephone.

Wednesday June 20

Sexual Assault and Violence Intervention Services (SAVIS) of Halton holds evening appointments for survivors of sexual violence. For more information, call Ingrid or

Vashti at (905) 825-3622.

Brancier Jeweller-Gemologist is proud to announce the recent success of Nadira Jagan-Brancier and her son Alex at the International Bench Jewellers 4th Annual Passion Award Design Competition.

Hosted in New York, they were selected as finalists out of over 100 entries for their beautiful ametrine and diamond ring (see photo) on April 27th, 2007.

Nadira has a long history of designing and crafting high quality jewellery and has even had the honour of having one of her pieces, a gorgeous jewelled pendent, presented to Queen Elizabeth. She enjoys traveling around the world looking for beautiful, unusual and high quality gemstones in all colours and shapes and then designs them into eye-catching and original jewellery that enhances the colour and beauty of each stone. She loves blending the

influence of nature with her expert craftsmanship, so each piece of her jewellery tells its own exciting story. For a more extensive view of her designer collection please visit our Milton Mall store or www.brancier.com

Alex, Mark and Nadira's son is the 4th generation of the Brancier family in the jewellery business. He has completed 2 years of jewellery design, silver smithing and gold smithing at Georgian College. Today, he designs and creates jewellery using the 3D Matrix Auto Cad program featuring the latest technology in computer software. Alex has just returned from Southern California where he studied Gemology at the Gemological Institute of America. Alex will soon be opening a design and repair studio in Downtown Milton, the same location where his grandparents opened a jewellery store more than 40 years ago.

Nadira along with her son, Alex were selected as finalists in the International Bench Jewellers 4th Annual Passion Awards Design Competition with their ametrine and diamond ring (photo to right) on April 27, 2007.
