OPEN FOR BUSINESS: Above left: Jemellie Chua (left) and husband Anthony and fellow owner Angie Yap hold up a few of the items available at AJS Grocery during the Bronte Street multi-cultural market's one-year anniversary. The store celebrated with food samples and live entertainment. Gina Faubert guides a yoga stretch at the grand opening of The Blue Room Spa on downtown Main Street. Server James Colbeck holds a flaming 'Kefalotiri' — a traditional Greek appetizer of cheese drizzled with vodka — tableside at the newly opened Mr. Greek restaurant in the RioCan Centre on Maple Avenue.

SMOKING what's the point?

Someday, you'll be offered a cigarette or be tempted to smoke. Before you start, think about it: every drag you take screws up your body.

Smoking can cause permanent damage to your body. Once a person starts, it becomes extremely tough to quit. And did we mention all that cash you'll be blowing in the process?

So, if you're tempted to start, ask yourself, "What's the point?"
