History is in the making at Bergsma's Home Décor in Downtown Milton. Celebrating their 22nd Anniversary, Bergsma's Home Décor is a pillar in the Milton community.

Since opening in Milton in 1985, Bergsma's Home Décor has been known for its innovative approach to the retail home decorating business. Bergsma's pride themselves on creating a stress free atmosphere balancing the otherwise stressful issues associated with remodeling or decorating. They offer the latest in paint, wallpaper, window treatments, lighting, commercial coatings and design consultation.

Originating within Georgetown in 1967, Milton became home to Bergsma's second location in 1985, situated on Main Street in a small 1000 sq. ft. store. Over the next 21 years and after gaining years of experience and training from their father George Bergsma, brothers Jeff and Peter developed a leading edge, 6000 sq. ft. showroom. The store located in historic Downtown Milton has been completely restored and renovated exposing the beautiful wood plank flooring and the original brick walls.

Keeping up with Historical appearances, Bergsma's have insightfully created inspiring displays in a Historical setting to enhance product presentation and exude a warm, welcoming shopping

space for clientele.

In the fall of 2002, Bergsma's Home Décor introduced Main Street Lighting. This was the logical next step to their home décor business. Knowing that many of their customers would be seeking lighting to complement their new or enhanced décor, it only made sense to cater to these needs. Main Street Lighting offers a full selection of lighting for every room in the house, from classic to innovative – and outdoor lighting fixtures too! They have selected lamps and fixtures from all the best suppliers around the world.

Then in the summer of 2003 Bergsma's Home Décor joined the Coatings Alliance. The Coatings Alliance owns and manufactures C2 Paint. "This brand is the most exciting thing to happen in the paint industry since I've been involved in 1985" says Jeff Bergsma. C2 delivers the best hiding power, exceptionally light and fade resistant colour that is rich in complexity, with unmatched lumenosity. The unique formulation allows for easier application and even coverage. The distinctive coop business model means more money can be put into the raw materials so ultimately our customer is getting more for their money! (c2paint.com)

Never to sit on their laurels, this year Bergsma's is proud to launch a new furniture department. 1200 sq feet has been dedicated to showcase the latest lines from Sunpan Furniture. It's a modern eclectic style previously not available in Milton. Dining and Kitchen Tables, parson chairs, bar stools, ottomans, sideboards, wall shelves, leather loungers and more. Innovation has been the key to Bergsma's success. By constantly expanding their range of products and creating surroundings that are welcoming, inspiring and enlightening, they have raised the bar for home décor.
