One summer I made a new friend. It was the best summer. Ever.

We don't know what role luck played in the joy of finding a new friend, but we do know we need more than luck to give some deserving kids the same opportunity. Let's turn these memories into a reality for children at risk in our community. Here is your chance to make a difference in a child's life today by supporting The Hamilton Spectator Summer Camp Fund. Donations go directly to the Fund, which pays the camp fees of children whose families are unable to shoulder the cost of even a few days at camp. **With your help, we can do it.**
