Support Magic/SDE (Service Desk Express) Application Specialist

Metroland Media Group Ltd. has an immediate opening for a knowledgeable and energetic individual to join our IT team as a Remedy Support Magic/Service Desk Express Application Specialist supporting our computer support ticketing system for Metroland. This position is based in North York (near Finch and Victoria Park) and may require occasional travel to other Metroland locations. The incumbent will be responsible for supporting our Remedy Support Magic/SDE (Service Desk Express) application and our SharePoint Services Intranet.

This is a 12-14 month contract position to cover off a 1 year maternity leave. Please send your resume and cover letter listing your skills, experience and salary expectations via email to the below address. In the subject line, please include "Remedy Support Magic Specialist" for filtering.

Required Skills and Experience:

- Experience with Remedy Support Magic/SDE (Service Desk Express) application customization.
- Experience with configuring and setup of Microsoft SharePoint 2003/2007 Services.
- Experience with creating and developing Crystal Reports and MS SQL queries.
- Experience with SQL 2000/2005.
- Ability to organize and schedule tasks.
- Strong interpersonal skills and ability to communicate effectively with both technical and non-technical users.
- Able to work independently with minimal or no supervision.
- Reliable vehicle required.
- Strong Documentation Skills

Responsibilities Include:

- Troubleshooting operational issues with Remedy Support Magic/SDE (Service Desk Express).
- Ability to determine added value of application customization requests and make alternate suggestions if required.
- Customizing the application based on the needs of the various departments using it.
- Creating custom application business rules, triggers, and scripted actions. Modifying database structure, adding fields and tables when needed.
- Creating custom reports using Crystal reports.
- SharePoint Services Intranet development. Creating and monitoring forums, document libraries.
- Monitoring ticket queues of technical staff and workflow. Ensuring proper standards for tickets are being met.
- Provide Support and Training on Remedy SDE (Service Desk Express) to internal IT staff and users for the self-help interface.
- Test new patch/version releases for SDE and third party add-ons for SharePoint
