Environmental Services Co-ordinator

Drawing on your 3+ years of related experience, you will perform preventive maintenance and general repairs, including minor drywall work and painting, at our **The Brant Centre** long-term care residence. Your responsibilities will include monitoring building systems, conducting monthly fire drills, and overseeing service contracts. You will also participate in quality assurance programming audits to ensure that appropriate health and safety practices are being administered in the residence.

You are a self-motivated, co-operative team player with a good working knowledge of maintenance-related issues, including plumbing, electrical, mechanical, HVAC and sprinkler systems, carpentry and generators. Additionally, you are conversant with local fire code requirements, Ministry of Health and Long-Term Care requirements, and provincial health and safety legislation. A high school diploma is expected, as are effective communication skills and the ability to work within a pre-determined budget. Occupational health and safety and WHMIS certificates would be ideal. Experience in a long-term care residence or a seniors' apartment building is an asset. This position requires a valid driver's licence, and involves some on-call work to respond to emergencies.

Please fax or e-mail your resume, quoting reference #0B-13AB12, in confidence, to **905-501-4878** or careers@chartwellreit.ca. To learn more about our organization and available opportunities to join our team, please visit our website at www.chartwellreit.ca.

Thank you for your interest. Only candidates selected for an interview will be contacted. No phone calls, please.
