Replica wagon on display this weekend

Visitors will be able to get up close to a replica Conestoga wagon this weekend at Country Heritage Park.

Tomorrow and Sunday, the park will present the Trail of the Conestoga Wagon from noon to 5 p.m. The event will showcase the means by which people travelled and settled in the early 1800s, and will feature a replica wagon donated to the park by Arnold Rife.

"It is a unique place that preserves our agricultural and rural heritage for Country Heritage Park, explaining the exhibits include the Templin Carriage

reason he chose it as the home for his wagon.

Throughout the weekend, Rife will be on hand to share his knowledge of the Conestoga wagon. As well, there'll be wagon rides, wagon crafts and information about how pioneers travelled in the 1800s.

Admission costs \$7 for adults, \$6 for seniors and \$4 for kids, or \$20 for a family.

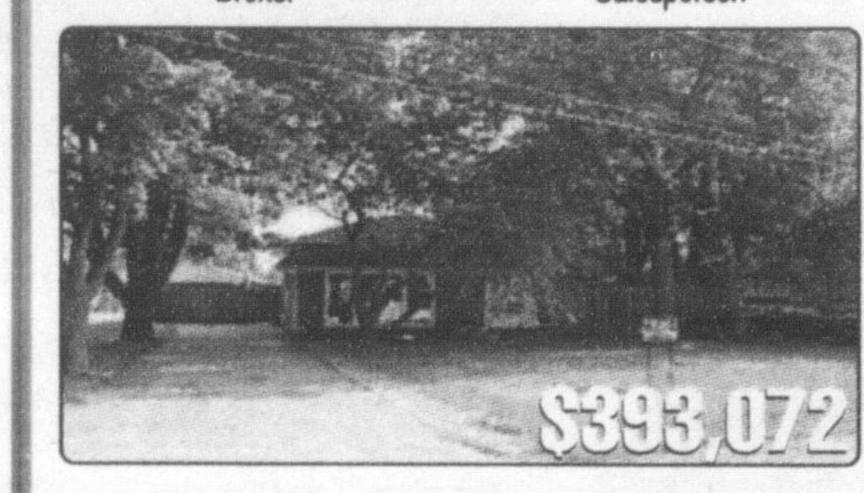

The heritage exhibits will also be future generations," Rife said of open all weekend. Some of the featured

Works, which portrays a company that manufactured fanning mills and wagons in Fergus, Ont. around 1910; the Carriage building, which features various types of horse drawn wagons, buggies, sleighs and carts; and the Cassin Family Farmstead, which portrays the daily routine of the family in the 1830s.

Country Heritage Park is located at 8560 Tremaine Rd.
