## President's Message

Leslie McLaren

It's the middle of the summer and for most of us life is a little bit easier than during the rest of the year. This is the season to use the barbecue, to enjoy the great outdoors and to entertain more informally. It is also the time of year for day trips to interesting locations.

Residents and visitors are being encouraged to discover the sights and delights of Milton's tourism destinations until October with the Escarpment Country™ Adventure promotion, which runs until October. A variety of self-guided tours are downloadable from [www.escarpmentcountryadventure.ca](http://www.escarpmentcountryadventure.ca), including conservation areas, farm markets, museums, artisans, golf courses, horse racing and restaurants. Visitors to the website can also enter online for a chance to win an overnight stay in one of Escarpment Country's

hotels, bed & breakfasts or campgrounds.

Escarpment Country™ is a unique setting located at the foot of the scenic Niagara Escarpment. This popular tourist destination offers a wealth of natural and man-made attractions, leisure pursuits and recreational activities. From rock climbing, hiking and skiing, to fairs, festivals and farm markets, Escarpment Country™ is a preferred destination for all seasons and all visitors

Spend some time on our quaint and historic main streets and in our shops, studios and recreation facilities. Visit the incredible farms that are open to visitors. Hike on some of the trails on or near the escarpment. You will find the people friendly, the scenery beautiful and the displays and exhibits fascinating. There are, of course, superb restaurants and cafés throughout the area offering wonderful dining experiences. Above all, don't forget to visit the fabulous Milton Chamber of Commerce's Farmers' Market held every Saturday morning on Main Street in Milton.

It's the summer! Make the most of it!
