Discovering Downtown
Milton

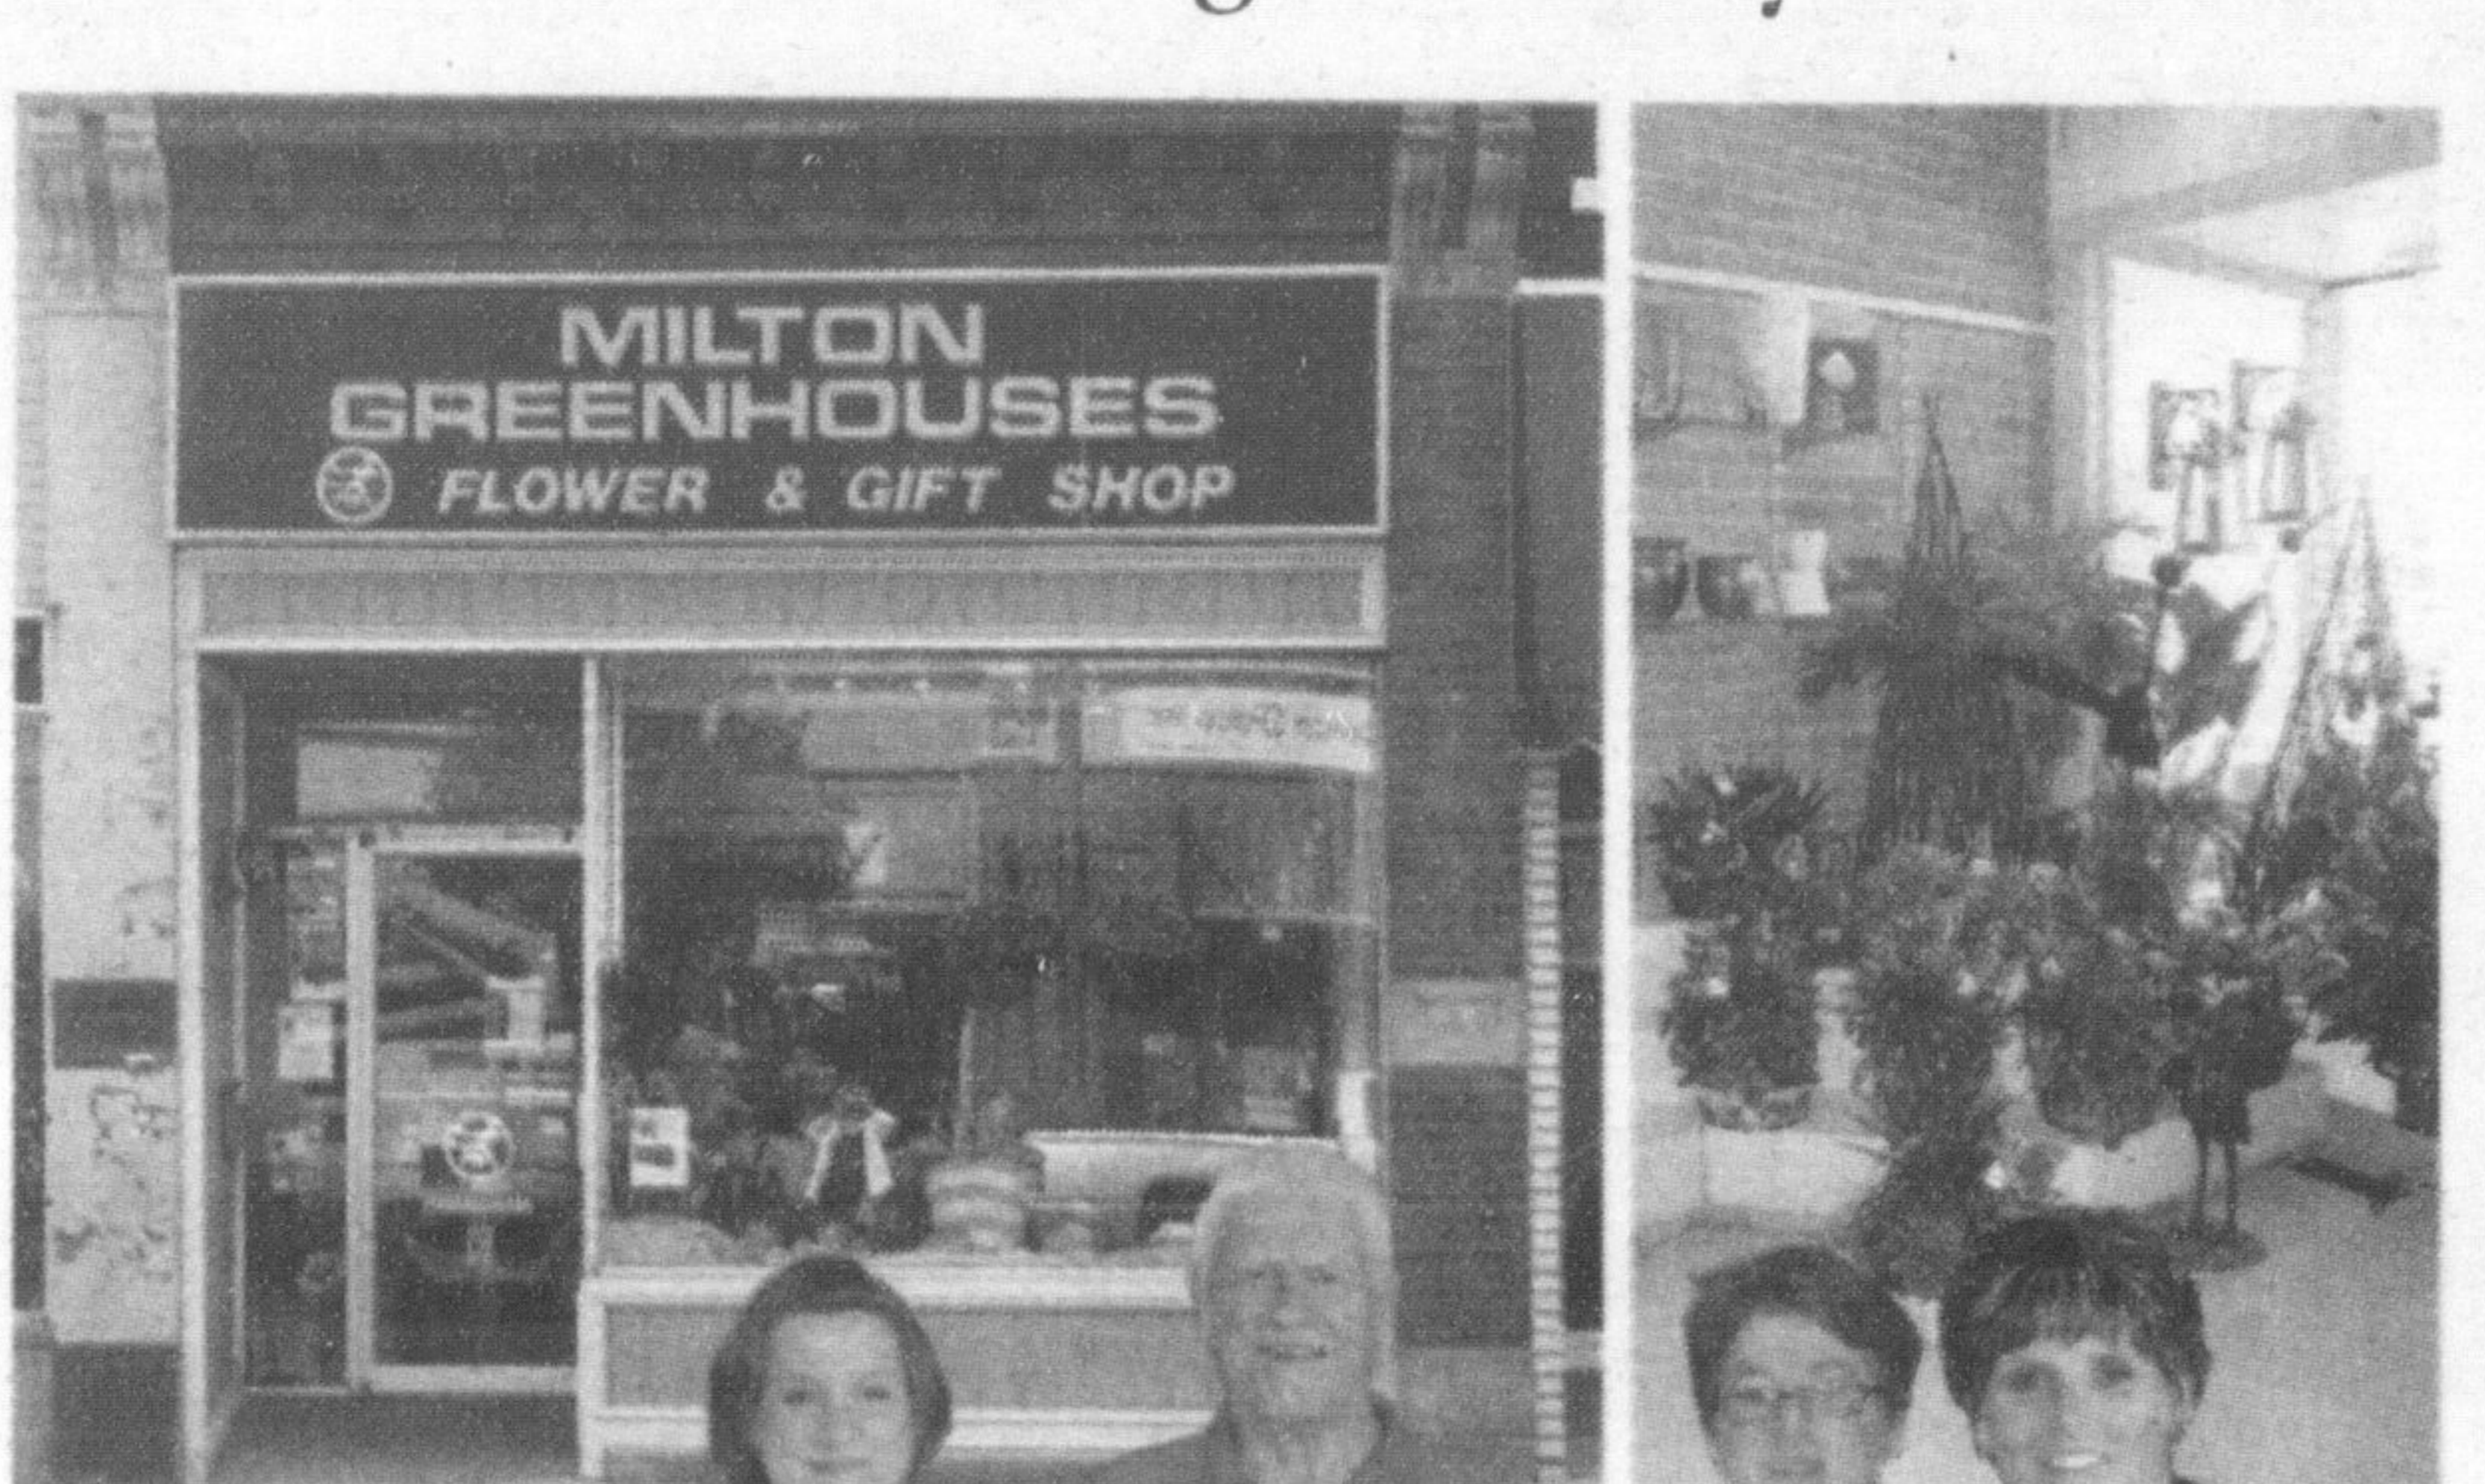

MILTON GREENHOUSES
Offering new and innovative designs for any occasion

Located at 222 Main St in the heart of the downtown core, Milton Greenhouses has been serving the community for their flower needs for over 70 Years. Originally owned and operated by Bob Brown as a Greenhouse and flower shop it was bought by Barry Burne who moved the shop to its present location in 1983.

In June 2007 the shop changed hands to longtime employee of Barry's, Debbie Sims along with staff members Donna Bradley and Krista Brown who are dedicated to Barry's customer service and high quality flowers and gift items.

Still delivering after many years Don Joyce makes daily deliveries in Milton and surrounding areas including Mississauga, Oakville, Georgetown and Burlington.

The shop is a proud participant of the United Way House Tour in November 2007 and also the Welcome Wagons Bridal show coming in October, 2007. We are a participant of the welcome wagon and enjoy helping new Miltonians to discover downtown Milton and all it has to offer to our new residents.

Milton Greenhouses offers new and innovative designs for any occasion. We specialize in custom wedding designs and will work with "Brides to be" to make their day special. We book appointments to spend time with future brides to help them make the right choices for their needs. We welcome all existing and new customers to come to our Summer Sale to make way for our fall collection. The sale is starting on August 18, 2007 and will continue through to Labour Day.
