

Your Invitation To Worship

God's Love Covers

God's love for us can be difficult to fathom! He cares for us unlike any other! His Word, the Bible, presents us with a variety of beautiful pictures that give us a small glimpse into aspects of His divine affection.

Consider a verse from Psalm 91: "He will cover you with his feathers, and under his wings you will find refuge."

A few years ago, I read an article in National Geographic that allowed me to gain deeper insight on what these words mean. The gist of the article can be summed up in this manner:

After a forest fire in Yellowstone National Park, forest rangers began their trek up a mountain to assess the inferno's damage. One ranger found a bird literally petrified in

ashes, perched statuesquely on the ground at the base of a tree.

Somewhat sickened by the eerie sight, he knocked over the bird with a stick.

When he gently struck it, three tiny chicks scurried from under their dead mother's wings.

The loving mother, keenly aware of impending disaster, had carried her offspring to the base of the tree and had gathered them under her wings, instinctively knowing that the toxic smoke would rise. She could have flown to safety but had refused to abandon her babies. Evidently, when the blaze had arrived, the intense heat had scorched her small body.

But the mother bird had remained steadfast. She had been willing to

die, so those under the cover of her wings would live.

God loves us so much that He was prepared to give his life in exchange for ours! That is the crux of the gospel message! And being loved like that should make a difference in our lives! Never forget about God's amazing love!

To learn more about God's great love, visit a local church this week! Service times and locations are printed in the Religious Directory below to help you.
