THRESHOLD

FINANCIAL TECHNOLOGIES INC.

Threshold Financial Technologies Inc. is Canada's leading provider of ABM network management and transaction processing services to financial institutions and retailers, and is consistently at the leading edge of the industry, both in terms of technology solutions and customer service. Threshold's team is comprised of experienced, dedicated individuals who believe in making a difference. Due to our growth, we need to fill the following positions.

Operations Trainer

The Operations Trainer will develop training programs for Call Centre Personnel and ABM Technicians, including writing training documents and delivering training sessions, as well as daily coaching. The Trainer will also train external clients on using Threshold's web tools. The successful candidate has call centre or help desk experience, a strong customer service orientation, and thrives in a fast paced environment. Previous training experience necessary. Excellent verbal and written communications skills are required, as are superior organization skills. Must be highly conversant in MS Office and being bilingual (in French) is an asset.

Cardholder Inquiries Coordinator (Bilingual) - Part Time

This position is responsible for investigating transaction issues of cardholders while providing excellent customer service. You are a problem solver, adept at dealing with customer service issues, have strong communications skills, and excellent telephone skills. You enjoy research and reporting and have attention to detail. You have a minimum of two years experience in a call centre. 15 - 20 flexible hours per week.

Customer Service Representative (Bilingual)

The CSR is responsible for providing outstanding service to merchants and cardholders, and thrives on resolving issues in a fast-paced call centre environment. You have strong communications skills, excellent telephone skills, and attention to detail. Experience in working in a technically oriented call centre would be beneficial. The CSR will work various shifts between 7:30 am to 8:00 pm, Monday to Sunday.

Billing Analyst (Contract) - Part Time

This part time contract position is responsible for reviewing and investigating ABM service related invoices and preparing the invoices for entry into the accounting system. A strong detail orientation and excellent organization skills are required. You will work with vendors to resolve any discrepancies. Invoice audit and reconciliation experience, as well as strong MSWord and Excel skills required. 15 - 20 flexible hours per week.

Technical Support Coordinator

The successful candidate will be responsible for ensuring that technical support is delivered to the Company's workforce in a professional, timely manner. This includes installation, configuration, maintenance and troubleshooting of workstations, servers, networking equipment and applications. The Coordinator will also provide after-hours support. An IT related degree and a minimum of two years related experience required. Experience in a PC MSWindows 2000/2003/XP environment and MS Active Directory administration necessary. Excellent organizational and analytical skills required, as well as strong interpersonal skills.

Threshold is an equal opportunity employer. While your interest is appreciated, only those selected for an interview will be contacted. No telephone calls please.

Threshold offers a competitive compensation package including benefits and a company matched RRSP plan; Employee Assistance Program; an on-site workout room and a caring company culture.
