Discovering Downtown  
**Milton**  
STUDIO  
HAIR DESIGN

*Rumor has it that you can't get a good haircut in Milton... Well, I won't give you one either. I'll give you a GREAT haircut!*

When you sit in my chair at Studio Hair Design, you will first receive a free consultation to discuss exactly what you want, taking into account the style that will work best with your type of hair, lifestyle, and maintenance routine.

Are you a baby boomer like myself? Have your kids left home or gone away to university or college? If the answer is yes, then finally (maybe?), you have some spare time on your hands. It's time to spend that precious time on you.

Perhaps a new or updated hairstyle is what you're looking for. Is there too much grey but you don't want to completely colour your hair? Highlights and lowlights add dimension and blend with your existing colour. The possibilities are endless.

Do you prefer an intimate setting where you can relax, laugh and feel at home? If so, try us at Studio, located in the heart of downtown Milton. I joined Studio in March of this year, bringing fifteen years of experience with me. I'm proud to work in the fastest growing town in Canada and just as proud to say I have lived in Milton for the past thirty years.

Don't forget to mention this editorial or advertisement in Discovering Downtown Milton... when you drop in or book an appointment. **I'm offering 10% OFF any hair colour service to all new clients.** I look forward to seeing you soon.

Angela...
