

# For The *Second Consecutive Year* We Owe *Thanks To Many.*

2006  
Highest in Customer  
Satisfaction among New Home  
Builders in the GTA.

2007  
Highest in Customer  
Satisfaction among New Home  
Builders in the GTA.

From the very first home we built in 1978, the overriding notion was to provide a completely satisfying experience for the people who live in our homes. There has been absolutely no need to change that notion.

Today, we proudly accept our second consecutive highest ranking in the J.D. Power and Associates study for customer satisfaction among homeowners in the GTA.

We've earned these distinctions because the people who work here continuously go above and beyond to help homeowners or assist in any way they can to make each homeowner completely satisfied with the home and the community in which they live.

We are thankful to have those people in our midst. All of our on-site trade partners, all of our business associates and the hundreds who work at Mattamy Homes deserve all the credit for this wonderful honour. And we are very grateful to have homeowners who have spoken in unison to make us once again top ranked in homeowner satisfaction.
