### FEATURING:

- Scan all 10 fingerprints
- Produces a still photo
- Produces a video with audio
- Burns all info to CD-ROM
- All files are deleted after each session
- MasoniCHIP Ontario will also feature in our program a dental impression system using a wax wafer.

Milton Hydro and Bell are proud to participate in this years Milton Fair. Come by and visit our booth which includes the Milton Hydro Peaksaver™ Program supported by the OPA (Ontario Power Authority) and see the Energy Conservation Solution powered by Bell. Find out how you can volunteer your air conditioning and electric hot water heaters to temporarily be subject to adjustment during peak demand periods. Kids and Parents visit the Miniature Energy Conservation House and learn how we can all work together to make a significant contribution to the environment by decreasing greenhouse gas emissions. Come by and you could also win cool prizes!
