

# Is your teacher tops?

Once again, the *Champion* is looking for teachers who go above and beyond the call of duty.

Each month, the *Champion* features a Teacher of the Month, who's chosen from among nomination letters.

The *Champion* is inviting students and parents to tell us if they have a teacher who deserves some special recognition.

Simply tell us why you think that teacher deserves to be chosen, and make sure you include your contact information.

The contest is open to all teachers from pre-school to grade 12 in the public and Catholic school systems, as well as Milton's private schools.

In addition to a feature on the winning teacher in the *Champion*, his or her class will receive a pizza party.

Send nominations by e-mail to [miltoned@haltonsearch.com](mailto:miltoned@haltonsearch.com).

# Funding boost major

A Milton-based support network for those coping with mental illness has received a major financial shot in the arm.

T.E.A.C.H. (Teach, Empower, Advocate for Community Health) was the recent recipient of a \$25,000 donation from United Way of Milton's 25th anniversary grant fund.

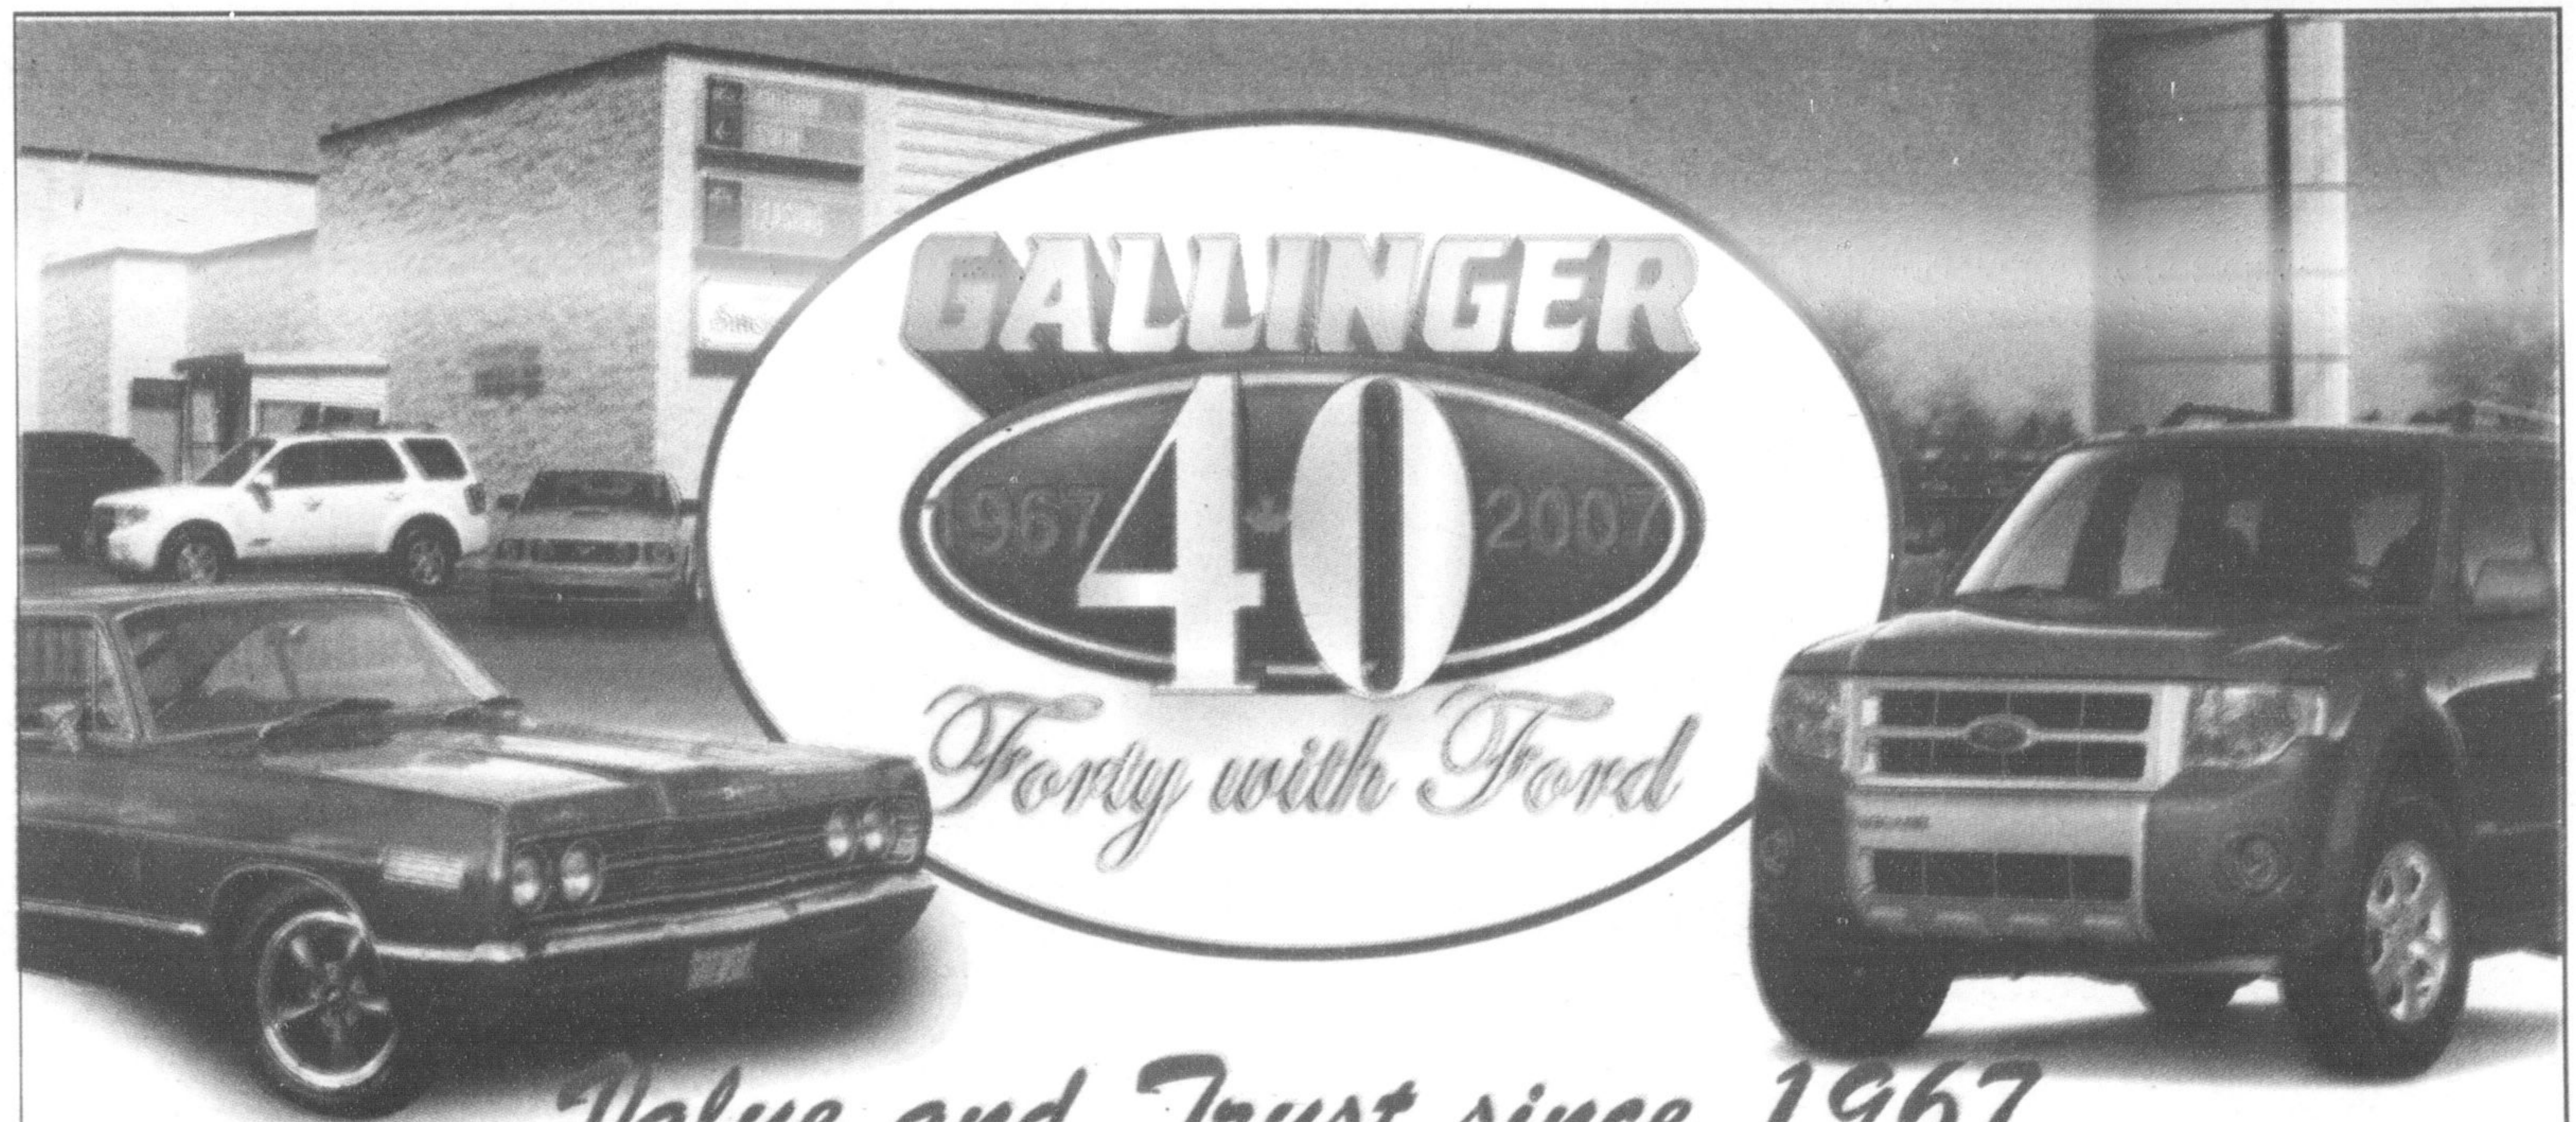

The money will go toward T.E.A.C.H.'s Mental Wellness Circle of Care program, which provides educational workshops and forums for individuals coping with mental illness, as well as their family members. The agency also offers support for service providers.

Working in partnership with the Region of Halton, T.E.A.C.H. is a unique organization consisting of staff and volunteers who have struggled with their own mental illness and now provide insight and peer counselling to others.
