

Part of Main closed for track repair

A section of Main Street, east of Ontario Street, will be closed for a few days next month so that the Canadian Pacific Railway can repair its tracks.

At its meeting Monday night, town council authorized the closure, which will take place from 9 a.m. on Monday, Dec. 10 to 6 p.m. Wednesday, Dec. 12.

CPR is seeking the closure to repair two main tracks at the Main Street crossing. To accommo-

date disruptions to traffic, the Town will provide two alternate routes — a south route along Childs Drive and a north route along Steeles Avenue.

Advance road closure signs have been posted on Main Street at the tracks. Changeable message boards will also be posted along both sides of Main Street one week before the closure and during the closure period.
