HAPPY NEW YEAR, MILTON!: Above, Mayor Gord Krantz answers resident Jim Christie's question about his Chain of Office during the Mayor and Council's New Year's Day Levee at Hugh Foster Hall Tuesday. At left, Miltonians Gus and Heather McCorquodale look at archival documents on display at the annual event. Below, Ken Lamb of the Milton Historical Society — which prepares various presentations about the town's history for the levee — adds a pin to a map on display. Visitors used colour-coded pins to indicate the location and duration of their time in Milton.

DAVID GILMOUR / SPECIAL TO THE CHAMPION

Remember to Recycle!

With a little extra effort, recycling saves a lot!

One ton of recycled paper saves up to 17 trees. Recycling paper, plastic and metal saves tons of garbage from being put into local landfills. These are just a few of the many reasons to recycle and use recycled products. By cutting down on waste and using more eco-friendly products, we can keep Milton and our planet a healthy, beautiful place to live.
