

# X-Mas tree collection starts Wed.

Region offers tips to help make waste disposal as efficient as possible

It will soon be time to throw out those Christmas trees.

Trees will be picked up in urban areas along with regular Blue Box collections for three weeks, beginning January 9.

Halton asks residents to keep the following winter tips in mind when placing their waste curbside:

- Place items out for pick-up by 7 a.m. on the morning of collection, but not before 5 p.m. the night before
- Secure your recyclables. Stack your Blue Boxes on top of one another to prevent papers from blowing away. Place heavier items on top of lighter ones.
- Flatten and tie large cardboard boxes and place them securely underneath or between your recycling boxes. Tie cardboard in bundles no larger than 30 inches by 30 inches by 8 inches (76 cm by 76 cm by 20 cm.)
- In one Blue Box, place loose glass bottles and jars, metal food and beverage cans, aluminum foil and pie plates, Styrofoam, plastic bottles, drinking boxes and milk and juice cartons
- In a second Blue Box place flattened corrugated cardboard, fine paper, box boards and newspapers
- Keep waste items clear of snow and visible to collect. Do not place items on top of snowbanks.
