## January Business After Hours

Business cards were circulating and so were the more than 90 Chamber members and guests at the BAH hosted by Prosperity ONE - Community Banking and Financial Services located on Main Street. The hosts and new Chamber members were given an opportunity to introduce themselves and talk about their business. It is always interesting to discover what is available in our community and learn about the new businesses. The benefit of networking is getting to know who we are doing business with on a personal level and developing relationships.
