## Bridal Party Gifts With a Personal Touch

Is she a best friend, a great mother or sister, or just a special someone you love and admire?

Bridal party gifts can be treasured keepsakes of your most important day, especially if you select the gift with each individual in mind. The Carolee Bridal Collection includes Sterling Sentiments® sterling silver bangles inscribed with personalized messages in five languages. Mother, Sister, Friends, Family and Love are just a few of the inscriptions to choose from. Prices are \$85 to \$100.

Another treasured affordable bridal gift is freshwater cultured pearls. Necklaces, bracelets and earrings include a hand-knotted 18" necklace and a choker length made of tiny, delicate freshwater pearls.

Earrings in stud and drop styles are available in pearl alone or accented with cubic zirconia. Prices range from \$40 to \$100 in styles that will appeal to a wide range of bridal party members.

All bridal party gifts are packaged in a unique mother of pearl finish jewelry box - ready to present at your rehearsal dinner or bridesmaids luncheon! Request a free catalog at [www.carolee.com](http://www.carolee.com)
