### Online Marketing & Research Analyst Corporate Internet

**Job Summary:**  
Metroland's Corporate Internet department currently has an opening for an Online Marketing & Research Analyst for a one year contract period. The Online Marketing & Research Analyst assists the Corporate Director of Interactive Initiatives and the Corporate Internet department in the organization, preparation, production, and execution of its initiatives.

**Position Accountabilities:**

- Create new online sales tools and update existing sales tools
- Develop and manage the online market research library
- Analyze, interpret and synthesize data from a variety of sources
- Link analysis and results to business issues and/or analytic objectives
- Provide actionable, strategic recommendations (where appropriate)
- Lead monthly variance analyses
- Identify areas of opportunity through ongoing competitive and market analysis
- Leverage internal learning, benchmarks and category/business knowledge to provide 'bigger picture' context in analysis (internal & external)
- Take ownership of the website reporting tools and manage updates to data and reports
- Respond to ad hoc requests (internal & external) for analysis, data and information
- Prepare high-quality reports and presentations that are thoughtful, creative and solution-driven, and targeted for specific audiences
- Act as an inter-departmental liaison for "all things internet"
- Track invoices and assist Corporate Director in negotiating 3rd-party partnerships and expenditures
- Assist in the creation and execution of Metroland's online strategy and marketing documents
- Use DFP (Dart for Publishers) reporting tools and inventory tools to forecast ad availability for Metroland's websites
- Liaise with Olive Canada Network to book, schedule and launch online ad campaigns to Metroland websites
- Prepare/issue Corporate Internet Bulletins as required
- Other duties as may be assigned

**Competencies/Skills and Experience:**

- 3-5 years experience in marketing analysis
- Working knowledge of DFP (Dart For Publishers) preferred. Some working knowledge of ad management systems and third party ad serving technologies
- Experience with and knowledge of Omniture
- Excellent computer skills with expert proficiency in database and spreadsheets
- Exceptional quantitative and analytical skills
- Creative problem solving skills
- Strong commitment to teamwork
- Experience in newspaper publishing and associated websites an asset
- Undergraduate degree (Business or Marketing focus preferred)
- Working knowledge of Microsoft Office
- Excellent verbal and written communication skills
- Responsible, self motivated and able to work independently
- Working knowledge of PBS an asset
- Detail oriented with strong organizational skills to effectively balance, prioritize & reprioritize multiple projects & requests from multiple sources

All interested candidates should forward their resume to:  
**kbaker@metroland.com**  
**Fax: 905-279-7763**

*We thank you for your interest but only those candidates receiving an interview will be contacted. No phone calls or agencies please.*
