HOT NEW LISTING - UDNENI CHARACTER!

This gorgeous century home has had a major facelift without taking away from its unique features. Beautiful decorative brackets line the eaves mouldings setting the stage upon entry. A large addition to the back of the home allows for a beautiful deck with inside entry through to the self contained mudroom. Access to the eat in kitchen with a spacious design with loads of cabinetry and counter space. A huge formal dining room with crown moldings, hardwood floors and french doors sets the stage for elegant dining. Through the french doors to a cozy living room with wood burning fireplace with original built in shelves with glass doors and lead muntins. Climb the hardwood staircase to the upper level with 4 great sized bedrooms with loads of closet space. The master bedroom was designed to incorporate the old brick work from the original outside cladding. This home is a true 10 and shows pride of ownership. Book today to start enjoying yesterday you won't be disappointed (featured in the 2006 Christmas tour) listed at \$549,900.
