Does Islam say that Muhammad is God?
God commanded Muhammad to say:
"Say: I am merely a man just like yourselves, except that the
Revelation has been sent down to me that your Lord is ONE GOD..."
(Quran, Ch. 18)
In Islam, Muhammad is only seen as a messenger of God, like Noah,
Abraham, Moses, Jesus and the other Prophets (peace be upon them all) -
and they all called to the worship of only the One True God
