Mall dog returned to owner

A dog suspected of being stolen has been returned to its grateful owners.

Police said a black Labrador retriever/bull-terrier mix was returned by a couple after the owners placed an ad in the *Champion*. The dog, named Sara, was in good health.

It was reported in Tuesday's paper that a mother and her children tied the 50-pound dog outside Zellers at Milton Mall

while they went inside last Friday at about 5:30 p.m. When they returned, the dog was gone. But the family has since called the *Champion* to clarify it was the children who took the dog to the mall — their mother arrived on the scene after the dog went missing.

There are differing accounts as to what happened to the dog.

The *Champion* reported Tuesday the mother was told by

a passerby outside the mall that a woman said she was taking the tied-up dog to a shelter. The family checked the shelters to locate the dog with no success.

But police said yesterday the couple who returned the dog told the family they picked it up because it was running around the lot.

"The dog's back — that's the main thing," said Det. Sgt. Murray Drinkwalter.

Sneaky thief steals cash from vehicle

Halton Regional Police are investigating a theft from a vehicle in Campbellville.

At noon March 17, the owner of a business located at 35 Crawford Cres. placed his bank deposit bag on the front seat of his vehicle. He was about to leave the plaza when he noticed he had a flat tire.

The man left the deposit bag

in the vehicle and went

back inside his business to call for roadside assistance. When he returned to his car he discovered the passenger window had been smashed and the bank deposit bag missing.

It was later determined the

tire had been slashed.

The total loss hasn't been disclosed.

If you have any information that leads to an arrest in this or any other matter, you may be eligible for a cash reward. You will never have to give your name or testify in court. Call 1-800-222-8477 or visit www.halton-crimestoppers.com.
