

Camera catches thieves

• from TORONTO on page A11

A woman had her purse stolen at Shoppers' Drug Mart last Friday afternoon.

Quickly realizing she'd left her purse on the counter during the noon-hour visit, she returned to find it gone.

The store's tape shows a man taking the purse. He's described as a white male around 30 years of age, tall with a thin build wearing a red ball cap, grey t-shirt and jeans. He was accompanied by a white woman about 25 years old, short and thin, wearing a black dress.

Store broken into

The A&P store on Kennedy Circle was broken into in the early morning hours of April 17.

Sometime between 1:10 and 1:30 a.m., a male and a female suspect entered the store and stole a large quantity of Advil and Tylenol plus six packages of frozen lobster.

The total value of the stolen merchandise is about \$1,000.

Car stolen

A 2001 blue four-door BMW 325 — with a licence plate AXDH 027 — was stolen from a Laurier Avenue townhouse complex last weekend.

The theft occurred sometime between 7 p.m. Saturday and 10:30 a.m. Sunday.

No value was available for the vehicle.

Snowboard thief sought

Halton Regional Police are investigating a rash of thefts from a local ski centre.

Between January and March of this year, unknown suspects stole numerous snowboards from Glen Eden Ski and Snowboard Centre, 5234 Kelso Rd.

Brand names of the stolen boards include Burton and Arbor. Two sets of skis were also stolen.

The total loss of the stolen equipment is in excess of \$7,000. Most of the thefts took place outside the main chalet where the stolen items were left unlocked and unattended.

If you have any information that leads to an arrest in this or any other matter, you may be eligible for a cash reward. You will never have to give your name or testify in court. Crime Stoppers of Halton doesn't subscribe to call display. Call 1-800-222-TIPS (8477) or visit www.haltoncrimestoppers.com.
