

PADDLE POWER: At left, 'The Prior Team' members from Milton celebrate their win in the second heat in one of the community team's 250m races during Saturday's sixth annual Lively Dragon Milton Dragonboat Races at Kelso Conservation Area. Bottom left and inset, the Allendale Aces team celebrate their safe return to shore. Below, three teams paddle toward the starting line. Teams from across Halton — and beyond — collectively raised \$13,000 for Halton's long-term care homes, adult day programs and supportive housing sites.

Remember to Recycle!

With a little extra effort, recycling saves a lot!

One ton of recycled paper saves up to 17 trees. Recycling paper, plastic and metal saves tons of garbage from being put into local landfills. These are just a few of the many reasons to recycle and use recycled products. By cutting down on waste and using more eco-friendly products, we can keep Milton and our planet a healthy, beautiful place to live.
