BABY BONUS

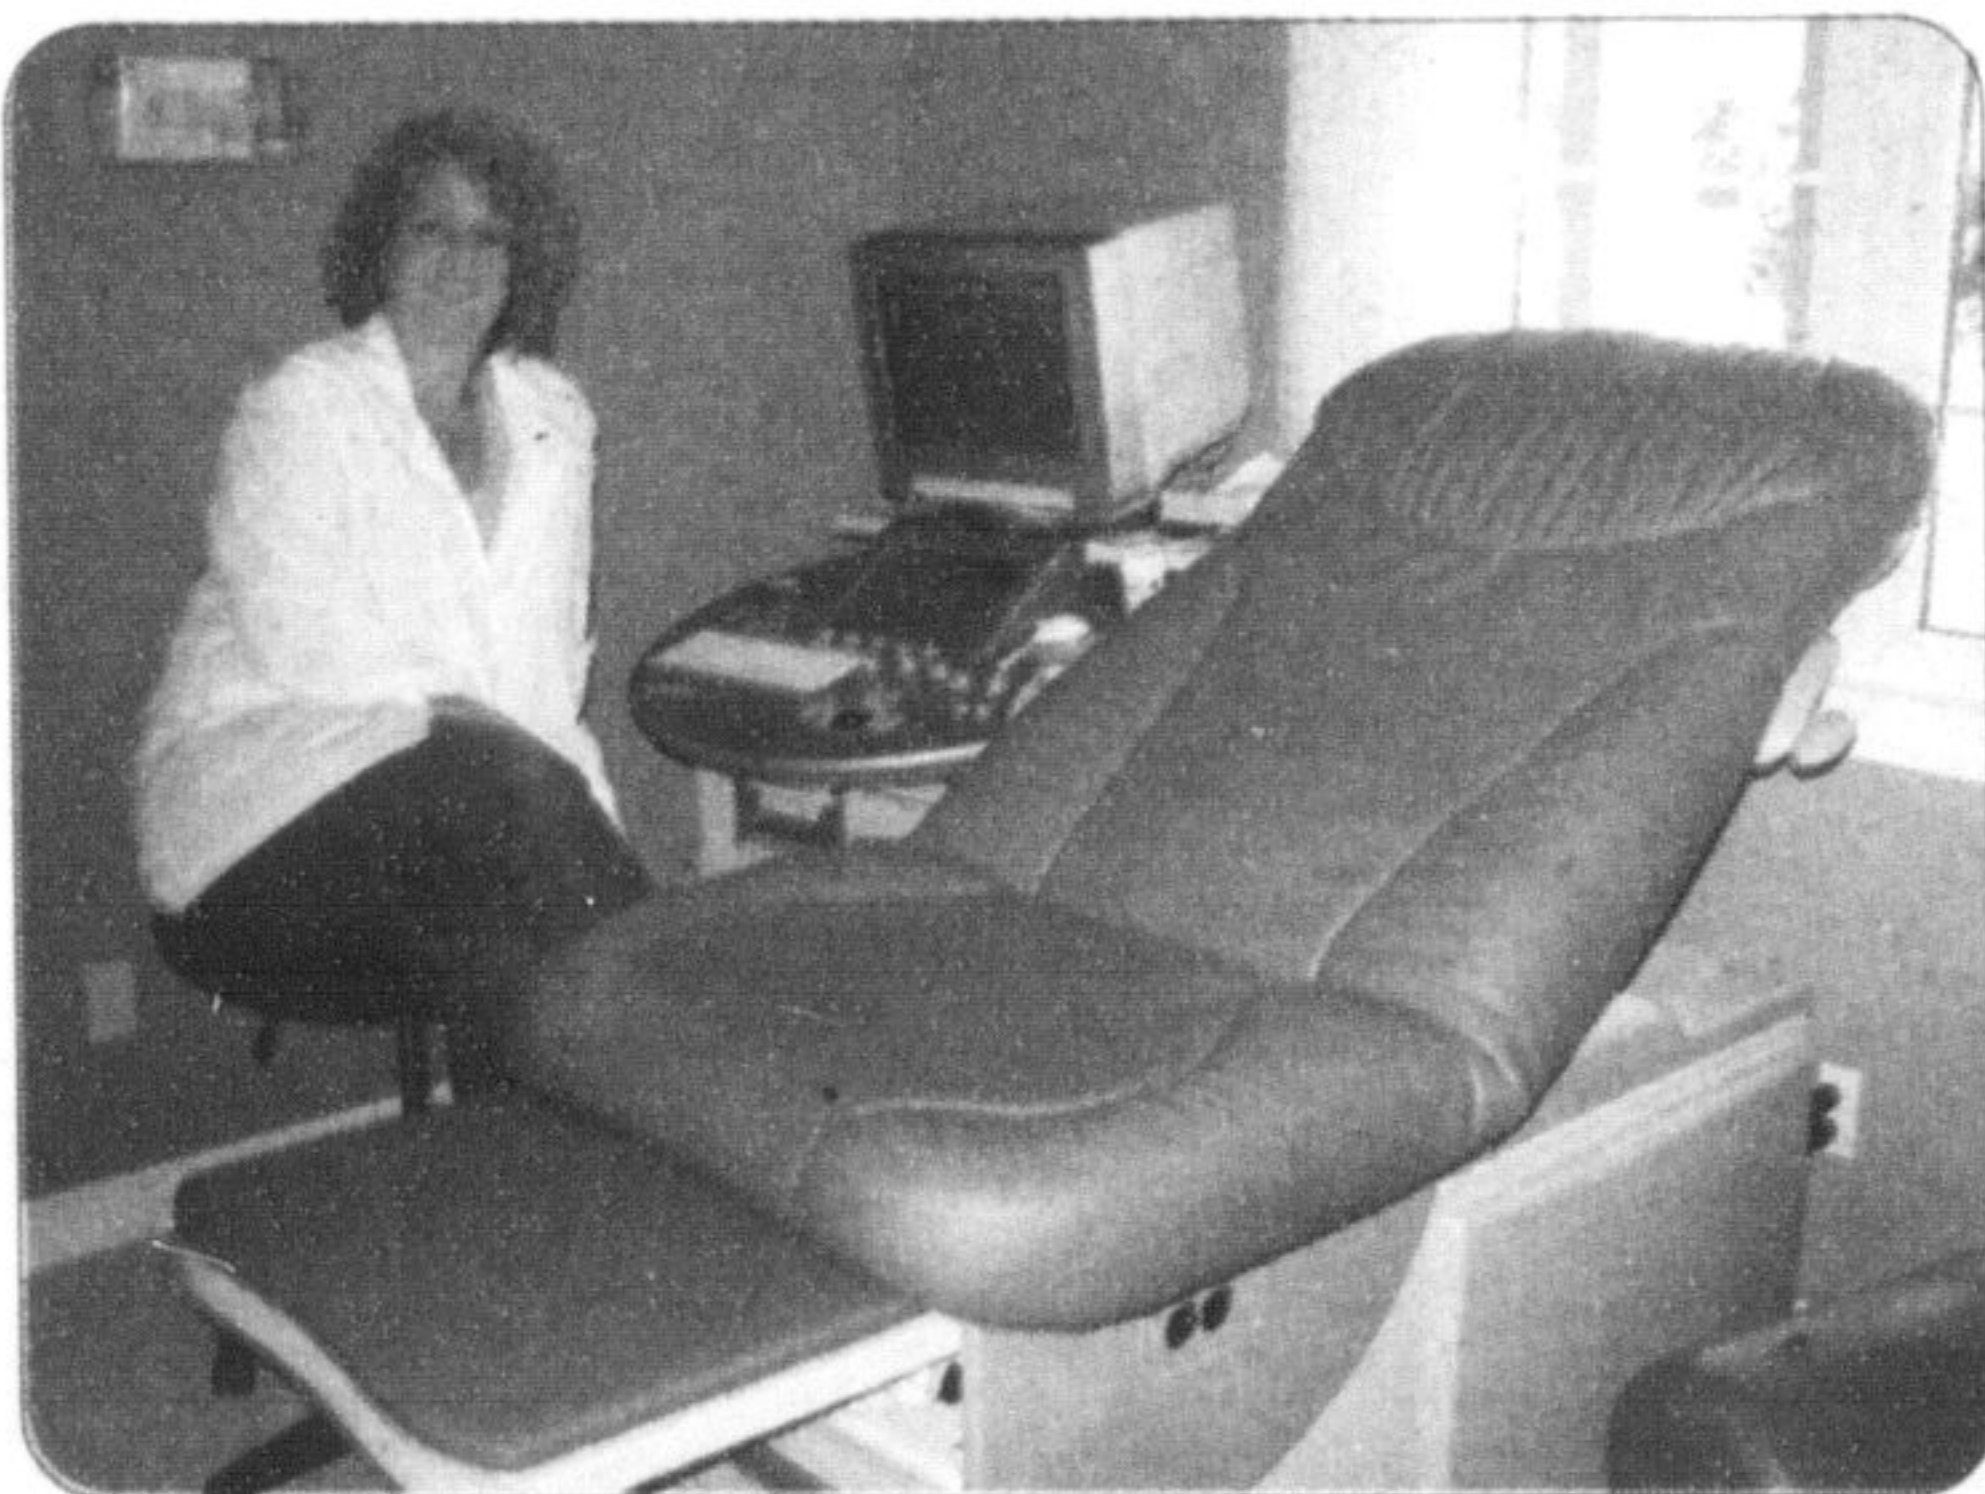

3D Ultrasound

Lynn Trenton is a Registered Ultrasound Technologist. Graduating in 1999, Lynn has been working ever since. A mother of two boys, 7 & 5, Lynn's dream of having her own business and working out of her home has come true.

Lynn has opened a state-of-the art 3D Ultrasound clinic in Rockwood.

Baby Bonus 3D Ultrasound provides parents the experience and joy of seeing their precious gift in realistic 3D images before birth. The room set up provides a stress free environment. A bright newly renovated atmosphere offers clients the experience of a lifetime.

Baby Bonus 3D Ultrasound offers parents, siblings and friends a chance to join in this wonderful experience. While operating her new state of the art Ultrasound machine, Lynn's clients can view their experience on a 42" LCD TV.

Baby Bonus 3D Ultrasound provides a fantastic family experience. Lynn states that this experience is in no way diagnostic. Clients who have received a normal result, after their 18-20 week anatomical Ultrasound, from an Obstetrical Healthcare provider are welcome.

Boy or Girl? Baby Bonus 3D Ultrasound can provide this information if requested. If you want to know, Lynn will try her best to see. If you choose to wait and be surprised, Lynn will respect your request and keep it a secret.
