**BLANCHE COULSON**  
In memory of a Loving Wife, Mother and Grandmother  
Don't think of her as gone away  
Her journey's just begun  
Life holds so many facets  
This earth is only one  
Just think of her as resting from the sorrows and the tears  
In a place of warmth and comfort  
Where there are no days and years  
Think how she must be wishing that we could know today  
Now nothing but our sadness can really pass away  
And think of her as living in the hearts of those she touched  
For nothing loved is never lost and she was loved so much
