Many positives for Marauders

• from MARAUDERS on page A14 which was dedicated to focusing on the team in response to last week's post-game blowup. "That stuff needs to happen sometimes, although I don't necessarily agree with everything that was said."

He recalled a similar incident in 2004 that had a positive effect when

Milton went on to win the national championship.

"It turned our season around."

Other positive signs noted by Todd: the Marauders have added a couple top all-star offensive linemen to the squad to solidify that position, the timing with receivers was coming around and George Baiden returned from injury, although it was in a limited role.

"Once Baiden comes back it frees up Sean Faulknor. They can't cover both."

Overall, Todd liked what he saw on the field, adding, "We may have lost the battle today, but we'll win the war."

The 3-2 Marauders will look to get back in the win column Saturday, when they're in Kitchener to take on the Tri-City Outlaws.

History is in the making at Bergsma's Home Décor in Downtown Milton. Celebrating their 23rd Anniversary, Bergsma's Home Décor is a pillar in the Milton community.

Since opening in Milton in 1985, Bergsma's Home Décor has been known for its innovative approach to the retail home decorating business. Bergsma's pride themselves on creating a stress free atmosphere balancing the otherwise stressful issues associated with remodeling or decorating. They offer the latest in paint, wallpaper, window treatments, lighting, commercial coatings and design consultation.

Originating within Georgetown in 1967, Milton became home to Bergsma's second location in 1985, situated on Main Street in a small 1000 sq. ft. store. Over the next 23 years and after gaining years of experience and training from their father George Bergsma, brothers Jeff and Peter developed a leading edge, 6000 sq. ft. showroom. The store located in historic Downtown Milton has been completely restored and renovated exposing the beautiful wood plank flooring and the original brick walls.

Keeping up with Historical appearances, Bergsma's have insightfully created inspiring displays in a Historical setting to enhance product presentation and exude a warm, welcoming shopping space for clientele.

In the fall of 2002, Bergsma's Home Décor introduced Main Street Lighting. This was the logical next step to their home décor business. Knowing that many of their customers would be seeking lighting to complement their new or enhanced décor, it only made sense to cater to these needs. Main Street Lighting offers a full selection of lighting for every room in the house, from classic to innovative – and outdoor lighting fixtures too! They have selected lamps and fixtures from all the best suppliers around the world.

This year Bergsma's are featuring the new C2 LoVo paint line. This is a low v.o.c. low odour eco friendly product line. Available in all finishes and, unique to LoVo, also available in any color! Typically priced a few dollars more than the regular line, at the One Day Sale LoVo will be priced the same at 35.99 a gallon- a whopping 40% savings. Now's your chance to be green and save too during this introductory offer.

Never to sit on their laurels, Bergsma's introduced their furniture department 2 years ago now. 1,200 sq feet has been dedicated to showcase the latest lines from Sunpan (sunpanimports.com) and Worldwide Furniture (whonline.com). It's a modern eclectic style previously not available in Milton. Dining and Kitchen Tables, parson chairs, bar stools, ottomans, sideboards, wall shelves, leather loungers and more.

Innovation has been the key to Bergsma's success. By constantly expanding their range of products and creating surroundings that are welcoming, inspiring and enlightening, they have raised the bar for home décor.
