## Invest in your child

## Invest in our future

When you teach your child to be helpful, you are investing in the future — theirs and ours. Children who are helpful to others when they start kindergarten are kids who are putting their best foot forward. And research shows that success at school leads to success and happiness throughout life.

For fresh ideas on making helping fun, call Our Kids-Milton at 905-876-1306

We can help you make a lasting investment in your child's future.
