

**MILTON GOES GREEK:** At left, 17-month-old Maria Sinopoli dances to the music with her balloon dog during Saturday's Mr. Greek Mediterranean Grill fundraiser in support of the Milton District Hospital Foundation. Above, foundation member Anne Zujko (far left) accepts a cheque for \$1,500 from (from left) Richard Stark and Lambri Sinopoli from Mr. Greek's head office and local franchise owners Hanna and Bassem Shenouda. At right, Amanda Damota digs into a chicken souvlaki stick hot off the grill. The event featured live entertainment, an inflatable jumping castle, face painting, a clown balloon artist — and of course, plenty of Greek cuisine.

**Ladies Drive 4 Cancer 2008**  
Raises \$35,000.00  
for Breast Cancer Research

Ladies Drive 4 Cancer organizer says "Thanks" to all who supported our 13th Annual Golf Tournament.

Thanks to the generous support of many individuals, the 13th annual Ladies Drive 4 Cancer golf tournament was a tremendous success.

I'd like to thank the 136 golfers for their enthusiastic participation in the events of the day. To the golfers who worked endless hours getting pledges, words can't begin to express my gratitude. You made our efforts most enjoyable and worthwhile.

A special thanks goes out to Milton and surrounding community. The generosity of our corporate sponsors, hole sponsors, cash donors, prize and auction item contributors was remarkable. We would also like to thank the Albatross Restaurant and Granite Ridge Golf Course staff for their excellent service. To our volunteers who help out on the day of the tournament, you are extraordinary and your assistance and support is greatly appreciated.

A very special thank you goes to the tireless effort of the committee Dot Brophy, Theresa Chuchmach, Sue DiPalma and Irene Grier who put in months of very hard work helping fundraise and organize the day's events. Without your help and dedication we could not have done this.

This year the efforts of all of these people have enabled us to raise \$35,000.00 in support of Breast Cancer Research.

Please accept our heartfelt gratitude, and we look forward to your support in 2009.
