Advantage Physiotherapy of Milton

Collectively Danielle, Dave & Val have over 30 years experience plus a wealth of innovative hands on treatment techniques aquired from taking numerous post-graduate courses. At **Advantage Physiotherapy** we only book two clients per hour for treatment. This translates into more undivided attention with the physiotherapist. If you are in pain we will find and treat the source.

**TREATMENT IS GOAL ORIENTED
AND PATIENT FOCUSED.**

Daniella Touseant
Dave Kuhner
Valerie Brouwers
